1. Opening of Meeting

1.1 Welcome | Opening of Meeting

Declaration of opening of meeting by Mayor Bradley Creek

1.2 Acknowledgement of Traditional Owners

2. Attendance, Leave of Absence and Apologies

2.1 Attendance

Councillors:

Councillor Bradley Creek, Mayor

Councillor Regan Kulka, Deputy Mayor

Councillor Robert Bloomfield

Councillor Vanessa Tayley

Councillor Vincent Tayley

WWASC Staff Representatives

Chief Executive Officer, Kiley Hanslow

Manager, Works and Building Services, Perry Gould

Manager, Corporate and Commercial, Micah Nkiwane

Cyclone Disaster Recovery Coordination Officer, Tania Edwards

2.2 Leave of Absence | Apologies

2.3 Visitors | Presenters

- Senator Sheldon and several colleagues will join Council for lunch
- Councillors will hear from/have the opportunity to question representatives from various agencies involved in the following aspects of the disaster recovery: Social Housing, Primary Health Clinic, Civil, Council Assets, Funding and Finances and the Wujal Shop.

The schedule for these presentations is as follows:

Time	Topic	Agency
10.30am-10.45am	Social Housing	Qbuild and Dept of Housing
11.15am-11.45am	Primary Health Clinic	Q Health
11.45pm- 12.30pm	Lunch break: Senator Sheldon and colleagues joining Council for lunch	
12.30am-1.15am	Civil, Water & Waste	Ganden and ERSCON
1.15am-1.45pm	Council Assets	WWASC and Queensland Reconstruction Authority
1.45pm-2.15pm	Funding & Finances	BDO and WWASC
2.15pm-2.45pm	Shop	Community Enterprise Queensland

3. Condolences | Congratulations

4. Mayoral Motion

5. Confirmation of minutes of the Previous Meeting

5.1 Minutes of the Ordinary Council Meeting | 16 January 2024

Resolution: acceptance of the minutes meeting held Tuesday 16 January 2024

Resolution:	That the minutes of the Ordinary Council Meeting held on Tuesday 16 January 2024 accepted as a true and correct record of that meeting.	
Moved:		Lost/Carried
Seconded:		
Resolution No		

5.2 Minutes of the Special Council Meeting | 22 January 2024

Resolution: acceptance of the minutes meeting held 22 January 2024

Resolution:	That the minutes of the Ordinary Council Meeting held on Monday 20 January 2024 accepted as a true and correct record of that meeting.	
Moved:		Lost/Carried
Seconded:		
Resolution No		

5.3 Minutes of the Special Council Meeting | 23 January 2024

Resolution: acceptance of the minutes meeting held 23 January 2024

Resolution:	That the minutes of the Special Council Meeting held on Tuesday 23 January 2024 accepted as a true and correct record of that meeting.	
Moved:		Lost/Carried
Seconded:		
Resolution No		

6. Declarations of Interest in the matters on the Agenda

- Declaration of Prescribed Conflict of Interest of any Item of Business
- Declaration of Declarable Conflict of Interest of any Item of Business
- Councillors to review existing Registers of Interest and Related Parties Disclosures

7. Business Arising or Outstanding Matters from Previous Meeting

8. Items for Consideration and Decision

8.1 Adoption of the Annual Report 2022 / 2023

Report to:	CEO, Mayor and Councillors
Subject:	Adoption of the Wujal Wujal Aboriginal Shire Annual Report 2022 /2023
Reporting Officer:	Chief Executive Officer
Status:	Decision

The adoption of the Annual Report is a legislative requirement according to the *Local Government Regulation 2012*, Chapter 5 (Part3) and s 181-190 of the Local Government Act 2009.

The Annual Report has been reviewed and approved by the auditors and is presented to Council in this agenda.

Resolution: Adoption of the Council Annual Report 2022 /2023 as presented.

Resolution:	That Council adopts the Wujal Wujal Aboriginal Shire Council Annual Report 2022/ 2023 as presented.	
Moved:		Lost/Carried
Seconded:		
Resolution No		

8.2 Location of the TCHHS temporary clinic

Report to:	CEO, Mayor and Councillors
Subject:	Proposed location for the temporary Primary Health Clinic
Reporting Officer:	Chief Executive Officer
Status:	Decision

The provision of the services offered by the Primary Health Clinic is one of the key essential factors to enabling the return of Community to Wujal Wujal.

Torres Cape Heath and Hospital Service (TCHHS) have prioritised the evaluation of flood damaged facilities at the current location and the investigation into the establishment of a temporary Primary Health Clinic in another location within the Community.

Conversation between Council officers and TCHHS have identified two possible temporary locations:

1. Behind/adjacent to the Police Station on land owned by Council.
2. At the Yindili'mu Bayan Eco Lodge.

Council recommends option 2: at the Yindili'mu Bayan Eco Lodge.

Council is in favour of this option as it will facilitate the prompt establishment of a functioning Primary Health Clinic to be operating before the return home to Wujal Wujal of Community Members.

Resolution: Temporary location of the TCHHS temporary clinic

Resolution:	That Council accepts the proposed location of the TCHHS temporary clinic for Wujal Wujal to be located at the Yindili'mu Bayan Eco Lodge, to facilitate TCHHS's establishment of a functioning Primary Health Clinic before return of Community members to Wujal Wujal.	
Moved:		Lost/Carried
Seconded:		
Resolution No		

8.3 Removal or rebuild the bike pump track

Report to:	CEO, Mayor and Councillors
Subject:	Decision to remove or rebuild the bike pump track
Reporting Officer:	Chief Executive Officer
Status:	Decision

The bike pump track was significantly damaged during the recent flooding. The location is near the river and expected to be impacted with each flooding event.

Council officers require Council to advise their preference for the future of the bike pump track:

- Remove completely.
- Remove from current location and rebuild at another location.
- Rebuild at current location.

Resolution: Bike pump track

Resolution:	That Council	
Moved:		Lost/Carried
Seconded:		
Resolution No		

9. Presentations to Council

Time	Topic	Agency	Presenters
10.30am-10.45am	Social Housing	Qbuild Housing	Rick Parmenter Jacinta McKewen Chantal Cora, Rick Healy
11.15am-11.45am	Primary Health Clinic	Q Health	Vince Connellan, Director of Nursing: Tiffany Best, Project Manager: Damien Heath, Asset Management

Time	Topic	Agency	Presenters (tbc)
12.30am-1.15am	Civil, Water & Waste	Ganden ERSCON	Aaron Bull Nick Lennon
1.15am-1.45pm	Council Assets	WWASC Yellow Projects	Perry Gould Jo Killick
1.45pm-2.15pm	Funding & Finances	BDO Peak WWASC	Tali MacKay Stephanie Little Micah Nkiwane
2.15pm-2.45pm	Shop	CEQ	Michael Dykes, CEO Randal Crabbe, General Manager Fred Gela: GM Enterprise & Engagement

10. Reports

10.1 Mayor's Report June 2023

The Mayor represented the interests of the Wujal Wujal Aboriginal Shire Council at the following meetings since the last Ordinary Council meeting on 16 January 2024:

Date	Meeting & Commentary
Thurs 18 Jan	LDMG meeting – Tropical Cyclone Jasper recovery
Sunday 21 Jan	LDMG meeting – Tropical Cyclone Jasper recovery
Monday 22 Jan	Special Council Meeting: delegation of duties from CEO to Acting CEO
	Logistics & planning for Elders Day visit
	Action, Planning & Coordination Meeting, Tropical Cyclone Jasper recovery
	LDMG Meeting
Tuesday 23 Jan	Special Council Meeting: CEO Performance Review
Wednesday 24 Jan	Accompanied President LGAQ Mayor Mark Jamieson Sunshine Coast Council on a visit into Community by helicopter.
Monday 5 Feb 2024	Mayor and Councillors update session: coordinated by CYP

10.1.2 Correspondence

10.2.1 Letter from Queensland Police Service to the Mayor: Emergency Management Reforms.

10.2 Chief Executive Officer Report

10.2.1 Meeting attendance

The Chief Executive Officer represented the interests of the Wujal Wujal Aboriginal Shire Council at the following meetings since the last Ordinary Council meeting on 16 January 2024:

Date	Meeting & Commentary
Thursday 18 Jan	Cooktown LDMG meeting: Tropical Cyclone Jasper recovery
	Wujal Wujal Elders visit to Wujal Wujal
	TCHHS recovery planning meeting
	Wujal Wujal LDMG meeting
Friday 19 Jan	Cyclone Recovery – Action Planning & Coordination Meeting
Sunday 21 Jan	Extraordinary LDMG meeting – Tropical Cyclone Jasper recovery
Monday 22 Jan	Special Council Meeting: delegation of duties from CEO to Acting CEO
	Major General David Tome and a team of his staff visited Community to inspect the work carried out by the ADF staff under Capt. Mark Pollard. Acting CEO John Kelly accompanied them on a tour of Community and in particular, the Shire office complex, the shop and the depot buildings.
Tuesday 23 Jan	Premier Steven Miles and the Hon. Minister Nikki Boyd, Minister for Fire Disaster Recovery & Corrective Services visited Community for an inspection of progress with the recovery and rebuild. Acting CEO John Kelly accompanied them through Community and provided updates on restoration of essential services for the Community. They expressed appreciation and seemed impressed with the collective response from Council, QBuild, Ergon, MyPathways, Jabilbina and other Agencies.
Wednesday 24 Jan	President LGAQ Mayor Mark Jamieson Sunshine Coast Council and Mayor Bradley Creek flew into Community by helicopter and received a briefing from Acting CEO John Kelly on the progress with recovery. Mayor Creek accompanied them on this visit. Acting CEO accompanied him on an inspection of Community. Mayor Mark Jamieson made the offer to put out a request to all QLD L.G.s seeking any support that Councils might have such as second-hand vehicles and equipment which they might be able to donate to WWASC. On behalf of Council, Acting CEO John Kelly thanked Mayor Jamieson for the support of his Council in dedicating Hayley Wright to assist us with communications for the three week period that she supported us.

Date	Meeting & Commentary
Thursday 25 Jan	<p>Eleven Elders visited Community and attended at the Disaster Recovery Centre.</p> <p>Acting CEO John Kelly, Operations Manager Perry Gould and Disaster Coordinator Glenn Bell provided information on the work done, work in progress and work still to be done. This information seemed well received.</p> <p>Acting CEO John Kelly was interviewed by Jonah Johnson of NITV radio, the interview focused on the Disaster Recovery.</p>
Mon 22 January – Frid 10 February	<p>Fatigue leave.</p> <p>Acting Chief Executive Officer John Kelly filling in.</p>
Mon 12 February	Cyclone Recovery – Action Planning & Coordination Meeting
Tues 13 February	Carins DDMG meeting
Wed 14 February	Cook JV Board meeting

10.2.2 Report

This report addresses recovery efforts and provides updates on progress of critical community services that need to be in place and operating before our people can return to Community. These critical items include the:

- Drinking water supply
- Sewerage treatment
- Fuel station
- Primary Health Clinic
- Police Station
- Food and groceries outlet and
- Council administration.
- Council depot.

The following table illustrates the number of ‘boots on the ground’ that have been contributing to the recovery effort:

ACTIVITY	AGENCY	NUMBERS
CLEANUP	Jabalbina (local Bama)	3-8
	Queensland Wildlife Parks Service	10
	YBM Rangers	6-10
	Bloomfield Contracting – Kenny	4-6
	Australian Defence Force, including locals Clayton, Shinane and Samara	30
	Narrap Wurundjeri Rangers (Melbourne)	10
	Mapoon Rangers	6
	Gungarde/My Pathway – local Bama	10
	SES	36
	Dabu Jajikal Aboriginal Corporation	3

ACTIVITY	AGENCY	NUMBERS
WATER	Ganden Engineering	8
	Aquatech	4
	Viola	
	Public Health	5
	AMG	3
	Dept of Envir, Science & Innovation	2
	SEQ Water	
SEWERAGE	Viola	4
	Aquatech	
WASTE	Dept of Envir, Science & Innovation	2
POWER	Ergon	15
CIVIL	NCP contracting: Includes two locals: Geoffrey Rosendale and Lionel Bounghi	23
ELECTRICAL	Emperor Electrical	2
PLUMBING	Briody Plumbing	4-6
MECHANICAL	Mobile Mechanic	2
SOCIAL WELLBEING	Royal Flying Dr	2
	Justice Group	1
ANIMAL MANAGEMENT	WWASC	2
	QPS also assisted with this	
HEALTH	Queensland Ambulance Service. Rostered on 10-day shifts	1-2
	TCHHHS	
SOCIAL HOUSING	QBUILD	30-80
	Dept of Housing	10
COUNCIL BUILDINGS	Australian Defence Force	30
	Disaster Relief Australia (DRA) - volunteers	20
	Contractor: Patrick Nandy Construction	4-6
SECURITY	QPS: 10 staff rostered on 10-day shifts. As of 12.2.24 numbers reduced to 4 plus Sargeant Allen	10
RECOVERY COORDINATION CENTRE	WWASC	6-8
	QUEENSLAND RECOVERY AUTHORITY (QRA)	2-4
	LGAQ	2
	EMERGENCY MANAGEMENT COORDINATOR	2
	SES	2
	Central Highlands Regional Council – Disaster Manager	1
COMMS	LGAQ COUNCIL-T0- COUNCIL STAFF	2
	WWASC	1

Included in these ‘boots on the ground’ have been a significant number of Community members who have assisted through employment with Jabalbina, Gungarde, My Pathway, through local contractors and through their deployment with the Defence Force.

10.2.1 Disaster Management Officer Glen Bell, from Central Highlands Council

Glen Bell's has been provided to us through LGAQ with funding for his expertise being paid by the LGAQ Council to Council Counter Disaster Operations funding.

Glen's extensive experience and expertise in assisting Councils with their recovery and restoration effort is very evident. To date he has:

- inspected, photographed and documented every Council facility.
- estimated the resources, labour and materials (e.g. cleaning materials, chemicals PPE etc) required for each facility.
- documented this information, detailing tasks for each building.
- Assigned tasks to volunteer agencies such as Disaster Relief Australia who have a contingent of 20 plus personnel fully and effectively occupied on productive tasks.
- a letter will be sent to Central Highlands Council expressing our sincere appreciation for Glen's time and efforts.

10.2.2 Road Access into Community

- Cook Shire Council continues to work on the northern access road to Community.
- Traffic delays of more than 45mins are regular occurrences resulting in the trip from Cooktown taking 2.5hrs and longer.
- The Bloomfield Track to the south is closed with serious issues confronting Douglas Shire at Cape Tribulation and Noahs Range. Douglas Shire is managing access into Cape Trib and the Daintree in a restricted and controlled manner.

10.2.3 Counter Disaster Operations Extension and Disaster Relief Australia

- The Counter Disaster Operations declaration has been extended to 31 March 2024.
- This covers Commonwealth funding through the State for immediate before and after the event recovery.
- The Disaster Relief Assistance personnel are funded by NEMA to work within Community until 15 February 2024.
- We have advised DRA that Council is not able to fund their operations beyond the 15th and therefore they will exit Community on that date.
- This does not affect funding of the ongoing recovery work which is continuing through the 90-day period for Emergency Work and immediate re-construction works.
- Restoration of Essential Public Assets (REPA) comes into effect after the 90 day period.

10.2.4 Water Supply Status

- The Water treatment plant is operating and producing treated, chlorinated, filtered water with both reservoirs full.
- Sluicing of the water mains is continuing and the first water sample has been dispatched to Qld Health in Cairns for analysis.
- A second mandatory water sample will be submitted in the following fortnight.
- If both meet Health Department requirements, Council should receive the green light for the water supply by the end of February 2024.

10.2.5 Sewerage Supply Status

- Breakages in the sewerage treatment system are still being assessed.
- The sewerage treatment plant is operating to the same (sub par) performance as prior to the Disaster.
- New pumps were ordered for #1 pump station with a six week delay expected. We have since learnt that the pumps are available sooner and we expect them to be installed in the next week or so.

10.2.6 Waste Management Services

- 70 trucks of flood mud are removed to the China Camp Road Waste dropdown area on a daily basis as drains, floodways and other areas are cleared of this debris
- Carrie Goldsmith and Clayton Abreu from the Department of Environment, Science and Innovation (DESI) visited Wujal Wujal for two days to review and advise on the waste management. While here they also brought a donation of stationary supplies and snake protection gaiters for use in the recovery efforts. These items were a gift to WWASC from DESI.

10.2.7 Service Station

- A representative from NQ Petro met with Perry Gould on site to plan for the re-establishment of the service station.
- It appears that there are approximately 50 litres of water in our in our fuel storage tanks.
- As water is heavier than fuel this results in the fuel floating on top making it possible for us to salvage the majority of the fuel.
- The service station and fuel outlet is one of the critical community services that needs to be in place and operating before our people can return to Community.
- The others being the Medical Clinic, Police Station, water supply, sewerage treatment system, refuse management, food and groceries outlet and Council administration.

10.2.8 Shop

- A fully functioning shop is essential for the return of Community to Wujal Wujal.
- It would appear that the former shop will require a huge amount of work to bring it back on line.
- Both the cold room storage facilities are damaged beyond repair and will be demolished and removed.
- Preliminary planning on available options are being examined.
- It might be possible to establish a temporary facility in the form of a food van or drop in food store providing both groceries and cooked and prepared food.
- SEQ will be a key stakeholder in these efforts.

10.2.9 Qld Police Service

- Officer in Charge Sgt Carey Allen has returned to Community and the number of Police based at the Eco Lodge has been reduced from the previous roster size of 10 personnel to 4 personnel.
- The Police presence has been excellent as it has provided us with a sense of security and safety and their regular patrols up to midnight each day has kept a close watch on the Community housing and general Community assets.
- They are still occupying the Eco Lodge and in addition to their rosters they have cared for a number of the Community's dogs that have been unable to go with their owners.

10.2.10 Queensland Ambulance Service (QAS)

- QAS continues to maintain a presence in Community with one officer being rotated through every 10 days.

10.2.11 Electricity Supply Interruptions

- Several extended power outages occurred as a result of a trees falling across power lines between Olfuson Creek and Granite Crossing after rain
- This adversely affected the productivity of all work within the Community for the duration of the outages

10.2.12 Communications with Councillors and Community

- We have been utilising a variety of communication channels to ensure all members of the Community have access to information in a format that is easy to understand, these include:

Format	Frequency	Channel
Infographic	Weekly	<ul style="list-style-type: none">• Emailed to stakeholders such as Gungarde and CYP for printing and distribution.• Community representatives collect and distribute the printed copies to Community members.• Printed copies are laminated and displayed in areas the Community meet.• Shared on the Recovery Facebook Page.• Sent by text to Mayor and Councillors.
Public notice	Weekly	<ul style="list-style-type: none">• Emailed to stakeholders such as Gungarde and CYP for printing and distribution.• Printed copies are laminated and displayed in areas the Community meet.• Community representatives collect and distribute to Community members.• Shared on the Recovery Facebook Page.• Sent by text to Mayor and Councillors.
Video	Several per week	<ul style="list-style-type: none">• Shared on the Recovery Facebook Page.• Shared at Community meetings.• Sent to our key stakeholders.
Interviews	As appropriate	<ul style="list-style-type: none">• Shared on the Recovery Facebook Page
Meetings	Weekly	<ul style="list-style-type: none">• Action Planning & Coordination meetings are the ideal place for Mayor and Councillors to hear the latest updates.• There have now reduced to one meeting per week.• Mayor and Councillors are sent the minutes from these meetings.• Mayor and Councillors are sent a bullet point summary of key points from these meetings.

10.2.13 Removal and Destruction of Damaged Council Records

- Council received approval from State Archives to remove all the records from the Records Management Donga adjacent to the Council offices.
- These have been transported to a site for disposal approved by State Archives.
- The Records Management and SES dongas are flood damaged and will be disposed of.

10.2.14 Recovery Project Manager

- Jo Killick, Principal Consultant of The Yellow Company Pty Ltd has been appointed by Council in the role of Recovery Project Manager.
- This role is funded through joint State/Commonwealth funding that was provided to three councils to engage project managers to coordinate and manage extraordinary recovery efforts.
- Jo was the General Manager for Recovery at QRA for several years and worked with Wujal Wujal after the 2019 Monsoon flooding. She was also part of the creation of the ICCIP funding program for water and sewerage infrastructure which WWASC is part of.

Role:

- Act as a central point of contact on behalf of WWASC for external agencies in coordinating and managing the recovery and reconstruction program,
- Establish and manage relationships with critical state, federal, and non-government entities required for a successful recovery of the WWASC and community.
- Partner with the WWASC leadership team to ensure that recovery plans meet the required outcomes.
- Identify opportunities for resilience building in WWASC and incorporate into recovery and reconstruction planning.
- Collaborate with WWASC and the community to ascertain the economic, social, built environment, roads and environmental recovery needs and priority actions.
- Identify opportunities for resilience building in WWASC and incorporate into recovery and reconstruction planning.
- Develop and monitor overall program of works to limit WWASC exposure to financial risk.
- Coordinate funding applications to capitalise on opportunities to leverage external funding for Council, including the gathering of required evidence and requests for information.
- Ensure community engagement strategy so WWASC and community inputs are considered and included in government planning and funding provision.

10.2.14 Fostering Community togetherness

- Council and the Merrick Lalor of the Department of Main Roads and Water approached NRL management to enquire if they would consider donating tickets for Community members to attend the NRL Indigenous All Stars Game being held in Townsville in February
- We also requested their assistance with an appeal to raise funds for Community.
- NRL donated 105 tickets for the game, and they are also assisting with a fund-raising appeal during the match.
- JVP Joint partnership with Gungarde, My Pathway, Hopevale Foundation and WWASC have provided vehicle transport for Community members to the game.
- Department of Communities has assisted with the provision of accommodation.
- Council notes their gratitude for all those who have made this possible for Community.

10.2.15 Letters of appreciation to agencies

- Council has noted their formal thanks to agencies who have assisted with the cyclone recovery. Examples of these letters are included in the appendix to this agenda.

Resolution: Acceptance of the Chief Executive Officer's Monthly Report for January 2024

Resolution:	That Council receive the Chief Executive Officer's Monthly Report for the month January 2024 as presented.	
Moved:		Lost/Carried
Seconded:		
Resolution No

[Resolution: confirmation of previous minutes](#)

Resolution:	That the minutes of the Ordinary Council Meeting held on Tuesday 12 December 2023 are accepted as a true and correct record of that meeting.	
Moved:	Councillor Vanessa Tayley	Carried 3/3
Seconded:	Councillor Robert Bloomfield	
Resolution No	20240116-01	

6. Declarations of Interest in the matters on the Agenda

- Declaration of Prescribed Conflict of Interest of any Item of Business - NIL
- Declaration of Declarable Conflict of Interest of any Item of Business - NIL
- Councillors to review existing Registers of Interest and Related Parties Disclosures

7. Business Arising or Outstanding Matters from Previous Meeting

Nil

8. Items for Consideration and Decision

8.1 Caretaker Period Policy

This Policy applies to all Wujal Wujal Aboriginal Shire Council Councillors, Candidates and Employees of Council preparing for and during the caretaker period.

This Policy ensures that Council conducts its business throughout the Caretaker Period in a responsible, transparent and legally compliant manner.

Certain restrictions apply to Council, Councillors and Council employees in the period leading up to an election.

[Resolution: Caretaker Period Policy](#)

Resolution:	That Council adopts the Caretaker Period Policy 2024	
Moved:	Mayor Bradley Creek	Carried 3/3
Seconded:	Councillor Robert Bloomfield	
Resolution No	20240116-02	

8.2 Emergency Procurement and Policy and Procedure

In recognition that full compliance with the existing Wujal Wujal Aboriginal Shire Council (WWASC) Procurement Policy and Procedure may not support Council needs during a critical period or emergency incident or event, the emergency procurement policy and procedural settings aim to accommodate emergency and urgent Council procurement.

[Resolution: Emergency Procurement Policy](#)

Resolution:	That Council adopt the Emergency Procurement and Policy and Procedure.	
Moved:	Mayor Bradley Creek	Carried 3/3
Seconded:	Councillor Vanessa Tayley	
Resolution No	20240116-03	

8.3 Adoption of Emergency Procurement Policy and Procedures Caretaker Mode

In relation to response to Cyclone Jasper weather events, a number of critical procurement decisions will be required during the caretaker period which may exceed the contract limit of \$200,000 or 1% of the local government's net rate and utility charges.

Council must apply to the Minister for approval to enter contracts greater than \$200,000 or 1% of the local government net rate and utilities rate. Applications for this exemption are made in writing and must detail:

- an explanation of why the decision was unforeseeable.
- an explanation of why the decision cannot wait until the end of the caretaker period.
- an explanation of how the decision is in the public interest.
- any other relevant information to assist the Minister in determining whether to approve the application.

[Resolution: Support the application to the Minister for approval to enter contracts greater than \\$200,000.](#)

Resolution:	That Council supports the application to the Minister for approval to enter contracts greater than \$200,000 during the Caretake Period, within the guidelines of the Emergency Procurement Policy and Procedures, effective 16 January 2024.	
Moved:	Mayor Bradley Creek	Carried 3/3
Seconded:	Councillor Vanessa Tayley	
Resolution No	20240116-04	

8.4 Electricity Meters versus Power Card

Ergon Energy Queensland (EEQ) has advised that due to the damage experienced during the flooding that many of the electricity meters must now be replaced before electricity can safely be restored to all premises.

Two options to consider are:

Option 1: Retain existing power card meters.

Option 2: Move to monthly electricity billing.

Discussion:

A monthly billing system could result in financial hardship for many of our Community members.

The most suitable option for the Community was to retain the existing power card meters as the

[Resolution: That Council accept Option one \(1\) to retain the existing power card meters](#)

Resolution:	That Council vote to retain the existing power card meter system.	
Moved:	Mayor Bradley Creek	Carried 3/3
Seconded:	Councillor Robert Bloomfield	
Resolution No	20240116-05	

9. Presentations to Council

Nil

10. Reports

10.1 Chief Executive Officer Report

CEO Kiley Hanslow provided Council with an overview of the cyclone event detailing steps and measures taken prior to the cyclone and the destruction experienced.

Preparation:

- Council's Operations staff undertook extensive preparations prior to the TC Jasper
- All plant, machinery and materials were moved and stored well above the previous highest flood levels of 2019.
- All Council's backup generators were assessed and serviced prior to the TC Jasper event.
- The Council depot was cleaned, and all equipment was stored above the previous 2019 highest flood levels.
- Ergon placed their large generators, sufficient to power the community, above the previous 2019 highest flood levels.
- Unfortunately, the rainfall caused flood and overland water flow above any previous recorded levels.

Loss of infrastructure as a result of the event:

There has been a substantial loss of infrastructure:

- Council Chambers
- Mayor's Office
- Administration building
- Records demountable storage unit
- Executive Assistant's Unit
- SES Shed, SES demountable
- My Pathway building
- Charlie's OHub Centre
- Apunipima Clinic
- Works Yard Depot
- Art Centre
- Café
- Jabalbina Ranger's Office

Damage Assessment

- Insurance assessors were in Wujal Wujal on Saturday 30 December 2023 to assess the extent of the damage. Council has \$2M insurance coverage, which will not be sufficient.

Operation of Council

- The loss of infrastructure listed has caused disruption of regular services and administrative functions.
- Temporary office accommodation in Cairns has been sourced as an interim solution only, to ensure continuity of essential services while the affected infrastructure is being restored.
- Queensland Reconstruction Authority (QRA) is available to cover disaster works and restoration of essential services. Strict eligibility criteria and an application process is required to access this QRA disaster management funding.
- Council continues to monitor weather forecasts and stay updated with relevant advisories to inform decisions and around access and recovery.
- Council continues to hold Extraordinary LDMG meetings to manage the disaster response.

Resolution: Chief Executive Officer' Monthly Report.

Resolution:	That Council receive the Chief Executive Officer' Monthly Report for the month December 2023 as presented.	
Moved:	Councillor Vanessa Tayley	Carried 3/3
Seconded:	Councillor Robert Bloomfield	
Resolution No	20240116-06	

10.2 Corporate and Corporate Services Division Report (C&CS)

- The external audit has been finalised with an unqualified audit opinion. The audit report together with the financial statements were presented to Council.
- Revenue – a significant increase in grant revenue.
- Growth in assets, but not in liabilities
- Chief Executive Officer complimented Manager Corporate and Commercial Services, Micah Nkiwane and his team on working with her to achieve the significant financial recovery for Council.
- The annual financial statements show a great result and speak volumes on how a disciplined financial approach has improved Council.
- Significant damage to council assets, may transform Council's cash flow.
- Disaster response must be managed carefully with the utmost discipline to avoid Council going backwards financially.

- BAS invoicing was operating on an excellent template of teamwork and was sadly interrupted by the TC Jasper disaster. Council expects this area of operation will continue to be negatively impacted for the foreseeable future.

Resolution: Annual Financial Statements

Resolution:	That Council adopt the Annual Financial Statements year ended 30 June 2023 as presented.	
Moved:	Councillor Vanessa Tayley	Carried 3/3
Seconded:	Councillor Robert Bloomfield	
Resolution No	20240116-07	

10.3 Auditors Report

Corporate and Commercial Manager Micah Nkiwane outlined the key points from the Auditors Report.

Resolution: Auditors Report

Resolution:	That Council adopt the Auditors Report as presented.	
Moved:	Mayor Bradley Creek	Carried 3/3
Seconded:	Councillor Vanessa Tayley	
Resolution No	20240116-08	

10.4 Annual Report

- A formal extension for the Council Annual Report will be tabled with the Minister.
- The Annual Report will be tabled at next Ordinary Council Meeting.

Resolution: Manager Corporate and Commercial's Monthly Report

Resolution:	That Council receive the Manager Corporate and Commercial's Monthly Report for the month December 2023 as presented.	
Moved:	Councillor Vanessa Tayley	Carried 3/3
Seconded:	Councillor Robert Bloomfield	
Resolution No	20240116-09	

11. Chief Executive's Annual Performance Review | Closed Session

Attendance: Brett de Chastel entered the meeting via Teams link at 10.15am

3. Items for Consideration and Decision

3.1 Approval of an Acting Chief Executive Officer

- Chief Executive Officer Kiley Hanslow has requested approval to take leave: Monday 22 January 2024 returning Saturday 10 February 2024.
- In accordance with the Local Government Act 2009 s195, the Council is required to approve the full delegation of the Chief Executive Officer Kiley Hanslow's duties and responsibilities to an Acting Chief Executive Officer.
- Council proposes Mr John Kelly fill the role of Acting Chief Executive Officer for the full duration of Chief Executive Officer Kiley Hanslow's leave.

Attendance: Chief Executive Officer Kiley Hanslow left the room at 09:08am

Resolution: Delegation from CEO to Acting CEO

Resolution:	That in accordance with the Local Government Act 2009 s195, the Council approves the full delegation of the Chief Executive Officer Kiley Hanslow's duties and responsibilities to Acting Chief Executive Officer John Kelly for the period 22 January 2024 to and including Saturday 10 February 2024.	
Moved:	Mayor Bradley Creek	Carried 3/3
Seconded:	Deputy Mayor Councillor Regan Kulka	
Resolution No	20240122- 01	

Attendance: Chief Executive Officer Kiley Hanslow returned to the room at 09:10am.

3.2 LGAQ Glenn Beckett

- LGAQ has received nothing but the highest praise from the key agencies regarding Kiley Hanslow's management of the Council's response to the disaster and managing the initial steps towards recovery and the restoration of essential services to allow the return of the Community.
- Expressed LGAQ's gratitude to Chief Executive Officer Kiley Hanslow for her tireless dedication to her role and the Community.

3. Items for Discussion

3.1 CEO Performance and the associated salary

Extended greetings from the people of Lardil on Mornington Island and especially from greetings from Councillor Mayor Yanner.

The CEO salary range was based on yearly review as follows:

Year 1 \$160 000.00 Year 2 \$170 000.00 Year 3 \$180 000.00

A 360degree review was undertaken by Brett de Chastel. Those interviewed were the Mayor, Councillors and several key staff.

Results of the review indicate that Chief Executive Officer Kiley Hanslow has overall performed well during her first twelve months in the role. To summarise:

- She has worked hard
- She is very dedicated
- She brings a wealth of energy to the role

Any perceived gaps in her performance have been detailed in direct communication with Councillors.

The advice the comes out of this process with be shared with the CEO in a one-to-one meeting with her conducted by Brett de Chastel.

Resolution: CEO's Annual Performance Review

Resolution:	<p>That in relation to the CEO's annual performance review, the Council:</p> <p>A. Note that an independent performance review has been facilitated by de Chastel and Associates on behalf of the Council and that the outcome of that review was positive; and</p> <p>B. Thank the CEO for her service to the Council and Wujal Wujal community, particularly during the recent flood event, and authorise the CEO to progress to her Year 2 salary level in accordance with her contract with effect from 17 October 2023 being 12 months from the commencement of her contract with Council.</p>

A Message from our Mayor

On behalf of my fellow Councillors, I am very pleased to present Wujal Wujal Aboriginal Shire Council's Annual Report for the 2022-2023 reporting year. As Mayor it is great to witness all the positives within Council and our community during this period.

Along with the other elected representatives we continue to advocate strongly with all levels of government to raise awareness of the needs of Wujal Wujal, working to find tangible long-term solutions to the challenges we face.

During this financial year the community has welcomed our new Chief Executive Officer Kiley Hanslow to both the leadership of the council and as a part of our small community.

Kiley is a true force of nature, she is driven, determined, and dedicated with a passion for improving Council's performance and delivery.

We have already witnessed the results of her dedication in many ways, all having a very positive impact within Council and the wider community.

During this past year we were cut off from the outside world on two occasions. Flooding early in 2023 cut us off physically from being able to exit or enter the community and in April of 2023 the community was cut off with no access to phones or internet due to the failure of a Mount Misery Communication Tower run by a network provider.

Although dissimilar in their nature, the result of both occurrences had very similar impact on our community's ability to access essential services, as with no internet there is no ability to pay for goods such as food and fuel electronically. These occurrences have driven our council's search for solutions, we are pleased to advise that we now have a solution that will allow us reliable independent internet access. This solution will be installed and operational very early in the 2023-2024 financial year, in time for the coming Wet Season.

Another highlight has been the reinstatement of an after-school sports program for our children at the Sports and Recreation Centre during this period, and the sound of children's laughter as they play is now one of the things I enjoy the most as I move through our community.

There have been many other highlights to the year, and the proof of our teams' hard work and planning are found within this report.

To the community, thank you for your support in Council representing Wujal Wujal and proactively contributing to the future of Wujal Wujal.

A handwritten signature in black ink, appearing to be 'B. Creek'.

Bradley Creek, Mayor

Wujal Wujal town centre.

From the CEO's desk

I feel very fortunate to have been welcomed in October 2022 by elected members, council staff and the beautiful Wujal Wujal community into the role of Chief Executive Officer. Since my commencement, my team and I have worked tirelessly to serve the Wujal Wujal community, in line with Council's mission of actively seeking opportunities to improve the lifestyle of its residents together with embracing the voice of the three Clans and families of Wujal Wujal. All this in mind with a focus on financial sustainability, governance, and continuous improvement.

I am pleased to present the Wujal Wujal Aboriginal Shire Council Annual Report for 2022-2023 to our Wujal Wujal community and our valued stakeholders.

This annual report is our report to the community on Council's performance over the 2022-2023 financial year against the objectives of the Annual Operational Plan, and the priorities of the Corporate Plan 2022-27. We highlight our achievements and note any areas in which we did not meet our planned goals and targets. This report is designed to meet our obligations under section 181 of the Local Government Regulation 2012.

Small communities like ours face unique challenges. The Wujal Wujal population fluctuates between 400 to 600 people, depending on families' movements. While these numbers are small and the physical area managed by Council is also small (approximately 20km²), Council is however still responsible for providing the same essential services as those provided by much larger councils.

This creates one of our ongoing challenges; how to provide the best service while only having limited population to draw our staff from. Our focus this year has been to strengthen our relationships with agencies that can assist us with the recruitment, employment, and training of local community members and this will continue to be one of our primary focus points in the coming 2023-2024 year.

This Annual Report also highlights Council's journey of financial recovery, increasing own-source revenue, improvement of governance and financial processes, improving management and reporting of financial agreements, and the dedication of our employees in providing quality services to the community.

I am pleased to note that we have made significant progress this financial year. The coming 2023-2024 period will be even more rewarding as we will see the results of work that we initiated during the 2022-2023 financial year.

Financial Recovery Journey: Over the past year, the Council has made significant progress in its financial recovery journey. Despite the challenges posed by our remote location, dependence on grants, and low revenue, we have managed our financial situation carefully whilst ensuring the delivery of effective, professional, and community-minded services to the Wujal Wujal community.

Increasing Own-Source Revenue: One of our key objectives has been to increase own-source revenue, and I am pleased to report that we have made notable strides in this area. Through strategic initiatives and partnerships, we have successfully improved our revenue streams, reducing our reliance on external funding sources. However, we recognise the need to continue these efforts in the upcoming financial year to further enhance our financial sustainability.

Improvement of Governance and Financial Processes: Council has prioritised the improvement of governance and financial processes to ensure transparency, accountability, and efficiency. We have implemented robust financial management systems and procedures, enhancing our ability to track and monitor expenditure. These improvements have allowed us to make informed decisions and allocate resources effectively, ultimately benefiting Council and the community.

Improvement of Relationships with our Stakeholders: A key objective of this 2022-2023 financial year has been improving relationships with our stakeholders, including community and local organisations, suppliers, and other local, State and Federal governments. Open, collaborative, and transparent communications have increased Council's effectiveness and improved operations.

Employees Working Together: Our dedicated employees have played a crucial role in providing services to the Wujal Wujal community. Their commitment, collaboration, and professionalism have been instrumental in achieving our goals. We commend their efforts and recognise the importance of fostering a supportive and inclusive work environment that encourages teamwork and innovation.

Plans for the Upcoming Financial Year: Looking ahead, we remain committed to increasing own-source revenue further. We will explore new opportunities for revenue generation while ensuring that our activities, time, and commitments offer value to both the Council and the community. Our focus will be on sustainable initiatives that align with the needs and aspirations of the Wujal Wujal community.

Challenges and Mitigation: We acknowledge the challenges posed by our remote location, dependence on grants, and low revenue. To mitigate these challenges, we will continue to manage our financial situation carefully, seeking innovative solutions and exploring partnerships that can help us overcome these obstacles. Our goal is to provide an effective, professional, and community-minded service while ensuring the long-term financial stability of the Council.

Highlights: Throughout the year, we have brought positivity back to the community through various events, including the 2022 Wujal Wujal Foundation Day, Wujal Wujal Christmas Celebration, March Against Domestic Violence, Anzac Day event, Community Togetherness Day and Concert and NAIDOC Week events, and planning for the Wujal Wujal 2023 Rodeo and Wujal Wujal 2023 Foundation Day event. These events have fostered community togetherness, celebrated our culture, and showcased the resilience and spirit of the Wujal Wujal community.

Conclusion: In conclusion, the Council's financial recovery journey, increasing own-source revenue, improvement of governance and financial processes, and the dedication of our employees have been key highlights of the past year. As we move forward, we remain committed to overcoming challenges, enhancing financial sustainability, and providing an effective, professional, and community-minded service to the Wujal Wujal community. Together, we will continue to build a brighter future for all.

Kiley Hanslow, Chief Executive Officer

New CEO Kiley Hanslow and husband Lawrence with community members at the Bloomfield Falls.

Local basking on the Bloomfield River.

Shire Profile

Mountainous terrain and dense tropical rainforest, tropical climate surround this relatively remote community which is set on the magnificent Bloomfield River.

Wujal Wujal is the local Kuku-Yalanji clan name meaning ‘many falls’, highlighting the many sacred waterfalls in our landscape.

The imagery this name invokes also captures our multifaceted region of ranges, rivers and reef. It reflects our sparkling coastline and abundant wildlife.

Our ancestry dates back on our traditional lands for thousands of years and our indigenous language is still spoken in the community.

Our local clans are the Kuku Nyungul and Jalunji peoples and the Eastern Kuku Yalanji who have native title to the Wujal Wujal area.

Our Elected Members

Council is made up of the Mayor and four Councillors who are elected by the community every four years to represent the views of residents within Wujal Wujal Aboriginal Shire. The next election will be held on 16 March 2024.

The council and councillors are accountable to the residents of Wujal Wujal through provisions contained within the *Local Government Act (2009)*, which is Council’s guiding legislation.

A councillor forms part of the team in which the residents of Wujal Wujal have placed their trust in to make decisions on their behalf and are therefore entitled to expect high standards of conduct from the councillors.

The legislation is founded on five (5) local government principles whereby the Council must be accountable, effective, efficient, and sustainable and that a Councillor must comply with, and apply, while performing their role as an elected representative.

The five (5) principles are of equal importance.

Councillors are responsible to:

1. Ensure the local government discharges its responsibilities under the *Local Government Act (2009)*
2. Ensure the Corporate Plan is achieved
3. Ensure compliance with all applicable laws
4. Provide high quality leadership to the local government and the community
5. Participate in council meetings, policy development and decision-making
6. Being accountable to the community for the local government's performance

The fundamental role of Wujal Wujal Aboriginal Shire Council's elected members is to serve the interests of Wujal Wujal as a whole.

The importance of the role of councillors cannot be underestimated. It involves a strong commitment to achieve effective local government, which aims to improve the quality of life in Wujal Wujal.

Wujal Wujal's elected representatives promote the positive attributes and opportunities of Wujal Wujal, foster positive relationships and form cohesive partnerships with all tiers of government to benefit the residents and the community.

Our Mission

To serve the community through a sustainable and equitable delivery of services with a focus on local priorities.

To contribute to the economic development and the improvement of the quality of life of residents.

Our Values

Our values are all concerned, in their various ways, with excellent customer service and the economic development of the Shire.

Feature Story: Equal employment opportunity

Council is committed to the implementation of, and adherence to, equal employment opportunity principles in all facets of our operations. We treat our employees and employment applicants fairly when making decisions on selection and promotions. These decisions are made on factors such as skills, qualifications, abilities, and aptitude.

Where possible Council aims to employ locals and to provide them with opportunities to develop within their roles.

Council employed a total of 56 staff during the 2022-2023 financial year, in full time and part-time/casual employment.

Statutory Information

Council meetings, councillor attendance and remuneration

Section 257 of the Local Government Regulation 2012 (the Regulation) requires Council to meet once a month to make decisions on governing the local government area of Wujal Wujal.

Council meetings are attended by the Mayor, Deputy Mayor, Councillors, the CEO, Senior Management, and any other staff as required to assist Council in any decision-making.

Ordinary meetings are open to the public and meeting agenda are available prior to the meeting on the council's website: <https://wujalwujalcouncil.qld.gov.au/council/council-meetings-agendas-and-minutes/>.

Special meetings

During the 2022-2023 financial year council held four special meetings.

An overview of their purpose is outlined in the following table:

Special meeting date	Purpose
06 September 2022	Appointment of Chief Executive Officer
11 October 2022	Consideration and adoption of the Wujal Wujal Empowerment System Model
28 February 2023	Strategic planning for budget 2023/24.
22 March 2023	<div>Review and adoption of council policies:<ul style="list-style-type: none">• Anti-Discrimination, Workplace Bullying and Harassment Policy• Attendance and Absenteeism Policy• Code of Conduct for Employees• Drug and Alcohol Policy• Grievance and Dispute Policy</div> <div><ul style="list-style-type: none">• Leave Policy• Performance, Misconduct and Discipline Policy• Recruitment and Selection Policy• Vehicle Use Policy• Work, Health, and Safety Policy</div>

Councillor attendance | LGR s186 (c)

Council is required to report on the number of local government meetings that each councillor attended during the financial year.

Council meetings were generally held on the third Thursday of each month during the 2022-2023 financial year. A schedule of meeting dates is adopted by Council at the first Council meeting of the calendar year and is published on the Wujal Wujal Council website.

Name	Ordinary Meetings	Special Meetings	Total
Mayor Bradley Creek	12	4	16
Deputy Mayor Vincent Tayley	6	3	9
Councilor Robert Bloomfield	11	4	15
Councilor Vanessa Tayley	12	4	16
Councilor Regan Kulka	12	3	15

The total remuneration, including superannuation contributions, paid to each councillor during the financial year | LGR s186(a)

The table below reflects total Councillor remuneration including superannuation and total expenses, including mobile phone, travel, and vehicle allowances for the 2022-2023 financial year.

Position	Name	Meeting Fees	Vehicle	Phone	Total
Mayor	Bradley Creek		\$4,000.00	\$1,000.00	\$128,767.35
Deputy Mayor	Vincent Tayley				\$71,807.19
Councillor	Regan Kulka	\$18,397			\$62,236.15
Councillor	Vanessa Tayley	\$18,397			\$62,236.15
Councillor	Robert Bloomfield	\$18,397			\$62,236.15

Councillors | Complaints referred to the Assessor | LGR s186 (1) (f) (j)

Council is committed to the ethical principles and obligations contained in the Local Government Act 2009 and Public Sector Ethics Act 1994.

Under s186(e)(f) and (g) of the Local Government Regulation 2012 (LGR), Council's annual report must contain details of any orders and complaints about councillors during the financial year. Details for 2022-23 are as follows:

Local Government Regulation	No.
• complaints referred to the assessor under section 150P(2)(a) of the LGA by the local government, a councillor of the local government or the chief executive officer of the local government	1
• matters, mentioned in section 150(3) of the LGA, notified to the Crime and Corruption Commission	0
• notices given under section 150R(2) of the LGA	0
• notices given under section 150S(2)(a) of the LGA	0
• decisions made under section 150W(1)(a), (b) and (e) of the LGA	0
• referral notices accompanied by a recommendation mentioned in section 150AC(3)(a) of the LGA	0
• occasions information was given under section 150AF(4)(a) of the LGA	0
• occasions the local government asked another entity to investigate, under chapter 5A, part 3, division 5 of the LGA for the local government, the suspected inappropriate conduct of a councillor	0
• applications heard by the conduct tribunal under chapter 5A, part 3, division 6 of the Act about whether a councillor engaged in misconduct or inappropriate conduct.	0

Disciplinary action against councillor under section 150I (2) of the Local Government Act (LGR s186 (d) (i) (ii) (iii))

There were no orders, decisions or recommendations made under this section of the LGA during the 2022-2023 financial year.

Administrative Action Complaints | LGR s187 (1)(2)(a)(b)

Wujal Wujal Aboriginal Shire Council is committed to providing a level of service that does not attract complaints. Council does however acknowledge the right of anyone to provide feedback, both positive and negative, on its services and / or to lodge a complaint about a decision or action it takes.

As such we are committed to dealing fairly with any administrative action complaints through the process outlined in the 'General Complaints Policy' which is publicly available via Council's website '[Complaints Management General Policy](#)'. This policy has been implemented to ensure that complaints are managed fairly, promptly and professionally. Council is committed to ensuring:

- Anyone who is dissatisfied about an administrative action of council can easily lodge a complaint.
- Complainants will be provided with reasonable assistance to make their complaint, if necessary.
- Complainants will not suffer any reprisal from council or its staff for making a complaint.
- Complaints will be responded to quickly and in an objective and fair way.
- Complainants will be advised of the decision and reasons.
- If a complainant is not satisfied that a complaint has been satisfactorily resolved, Council will inform the complainant of any further internal or external right of review/appeal.
- Complaints will be recorded, monitored, and reported on to identify improvements in the council's systems, practices, and service delivery.

Council is committed to continually improving their Complaints Management Process to ensure that complaints are dealt with in a fair and equitable manner.

During 2022-2023 financial year:

Council **did not** receive any administrative action complaints,

There were **no** unresolved complaints from previous financial years.

Investigation notices and local government responses| competitive neutrality complaints | LGA s190 (1) (i)(j)

There were no such resolutions made during the 2022-2023 financial year.

Local community members modelling fabrics designed by local artists.

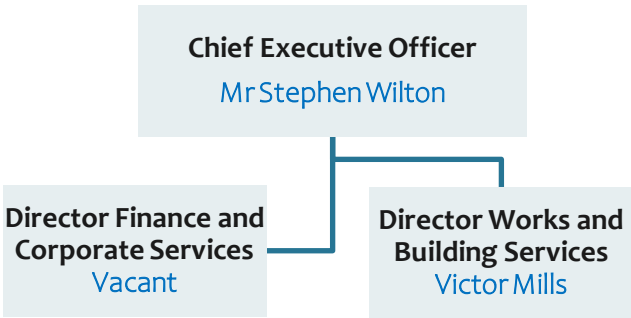

The year in review

The Chief Executive Officer’s assessment of progress against its 5-year corporate plan and its annual operational plan | LGR s190 (1) (a)

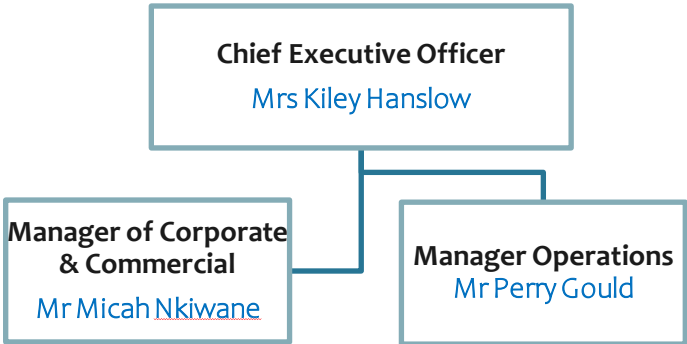

I am pleased to provide this report of the excellent progress Wujal Wujal Aboriginal Shire Council has made against both its corporate and operational plans.

Changes in senior staff since the writing of the corporate plan

At the time of writing the 2022 Corporate Plan structure and staffing of the senior management was as follows:

The senior management team is represented as follows:

Major Program Areas

Council's Corporate Plan for 2022-2027 provides to all stakeholders the direction about council's strategic priorities and related strategies.

The achievement of these outcomes within constraints of Council resources and support from all stakeholders will benefit the present and future generations.

The following are the areas of focus for the 2022-2027 Corporate Plan:

This corporate plan outlines the vision for the Shire and lists the plans and strategies as well as values that the Council, staff, and the community at large embrace to provide a sound basis for the development of the area, in forming strategic cooperative alliances with Councillors, staff, community members and all relevant stakeholders. I recommend this Corporate Plan to all our customers, both internal as well as external.

Corporate Governance, Community Safety and Family Services

Aim: To provide leadership, direction, representation, and service to the community, and manage the care and safety of families

Strategy and Performance Indicators	Assessment of progress
Provide leadership through planned, transparent, effective, and accountable government.	Council officers work closely with elected members, keeping them fully informed through regular reporting to Council meetings.
Provide direction through a system of official laws, clearly stated goals, policies, and procedures.	Review of policies and procedures has occurred throughout the year. Local laws are updated as required.
Provide responsive and balanced representation of all sectors of the community thus have an inclusive community.	Council continues to focus on employing local community members, drawing them from all sectors of the community.
Provide quality service to the residents of the Shire.	Council operations during the 2022-2023 year provided an unbroken service to community.
Have an effective corporate governance system that meets the statutory requirements and best practice and obligations.	Council dedicated time and resources to improving its systems and processes that drive it's governance during the 2022-2023 year, working closely with LGMA advisors to ensure it complies with statutory requirements and obligations.

Strategy and Performance Indicators	Assessment of progress
Build strategic cooperative alliances with neighbouring Shires, relevant peak bodies and other organisations that underpin council values.	<p>Council has continued to develop its cooperative alliances.</p> <p>Senior staff attended and represented council and our community at various meetings/conferences during the 2022-2023 year with our neighbouring and regional councils that saw not only the immediate outcomes and benefits from those meetings, but which also continue to benefit community on an ongoing basis.</p>
Manage natural disasters through community engagement.	<p>Being a small community, any natural disaster that may occur affects the whole community.</p> <p>Council has grown its alliances with other agencies such as Queensland Police, Queensland Fire and Emergency, Queensland Health, as well as many State agencies.</p> <p>Located the tropical far north of Queensland Wujal Wujal is subject to high rain fall in the wet season that can result in severe flooding which can at times cut the community off completely.</p> <p>Council takes a very proactive approach to communicating to community any risk of these events occurring and works to maintain communication and engagement with all of community during such events through a variety of means, including as shown in the image to the left, through its social media platform.</p>

Seasonal flooding can cut the community off from the outside world and poses risks to all residents. The early warning flood detection system sounds loud alarm through a speaker system to residents as water rises dangerously high. Council keeps residents informed through a variety of methods including social media.

Strategy and Performance Indicators	Assessment of progress
Provide Community Justice Programs to support community members in need.	<p>Advocacy on behalf of Community Justice Group to community and Government for funding requirements, supported with attendance at Community Justice Meetings and Care and Support meetings.</p>

Strategy and Performance Indicators	Assessment of progress
Provide a system of risk management across all facets of Council operations.	Due to staffing changes and shortages Council was not able to progress this during the 2022-2023 financial year and will look to focus on this during the 2023-2024 financial year.

Corporate Services

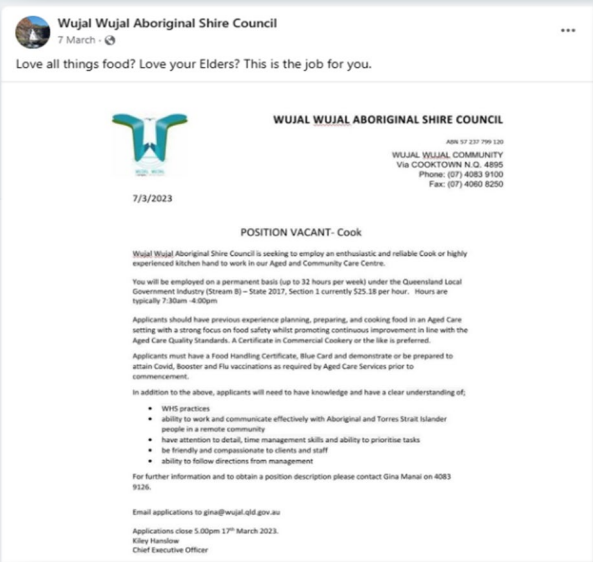

Aim: To manage Council's resources in a way that achieves maximum community benefit whilst maintaining financial sustainability.

Strategy and Performance Indicators	Assessment of progress
Maintain an efficient, committed and appropriately skilled workforce.	Council continues to support its current workforce, supporting their professional development as required.
Control income and expenditure in accordance with statutes and council policies.	Council has complied with all regulations and policies in its control of income and expenditure.
Prepare timely and accurate financial information.	Despite several vacancies in key roles in the Corporate and Commercial team during this period, council has continued to provide timely and accurate financial information. Financial reporting to elected members occurs monthly as part of the agenda for Ordinary Council meetings, and more in-depth reporting and review is undertaken at specific Special meetings as required.
Ensure expenditure achieves maximum benefit for the community members.	Our new manager of Corporate and Commercial Micah Nkiwane, has turned his focus to this important area of responsibility. Balancing our need for financial sustainability with our goals of improving the commercial prospects for community.
Secure funding from all available sources.	This has been a focus area for council this year. Council has contracted Peak Services to assist with the management of securing funding from all available sources.
Ensure compliance with relevant council revenue policies, community service obligation policy and procurement policy.	Council continues to comply with all relevant policies.
Provide accurate and timely agendas, minutes, and reports.	Council has improved its delivery on this performance indicator during the 2022-2023 financial year through the appointment of an Executive Assistant/Governance Secretary to its staff in April 2023. This role is responsible for the provision of accurate agenda, minutes, and reports.

Strategy and Performance Indicators	Assessment of progress
<p>Ensure prompt and timely action on council decisions and public enquiries.</p>	<p>Council has provided timely action on decisions throughout the 2022-2023 financial year. There were no public enquiries during the period of this report.</p>
<p>Provide courteous, friendly, and effective communication that can be seen, heard, and read both internally and externally.</p>	<p>Council has reinstated the distribution of the community newsletter 'The Kaban'.</p> <p>This service to council and community has been able to be reinstated due to funding from Queensland State Libraries enabling the employment of a staff member in the Indigenous Knowledge Centre.</p> <p>These newsletters are distributed internally to staff and made available to community through hardcopy printouts distributed to community groups and through our public website.</p> <p>Council also utilises the social media platform Facebook for distribution of important news items, employment vacancies, community events and much more.</p> <p>This annual report is illustrated throughout with examples from this social media platform from the 2022-2023 financial period.</p>
<p>Continue to develop and modify council policy.</p>	<p>Council continues to manage its policies to ensure they are relevant. The maintenance and management of this is the responsibility of the new governance staff employed during the 2022-2023 financial year and this will become a focus area for the 2023-2024 year as there is considerable work required to ensure any outdated policies are reviewed, renewed, and brought to council for formal adoption.</p>
<p>Continually revise IT systems to reflect the changing directions and technology developments.</p> 	<p>Council has adopted and incorporated new technology during the 2022-2023 financial year that was the result of several years investigation into possible solutions.</p> <p>The “Adapt 1 Solution” has now replaced our previous system, and in conjunction with a Starlink connection we have realised significant increase in the speed and reliability of our internet access and saved a significant amount of money from our previous monthly charges.</p> <p>This solution also assists Council in its journey towards its ACSC Essential 8 accreditation.</p>

Examples of effective communication to the community using the social media platform Facebook.

Strategy and Performance Indicators	Assessment of progress
<p>Retain and recruit the best possible staff through good work practices, job specifications, and personal development career path, training, and remuneration.</p>	<p>Recruitment of the best possible staff has been a priority during the 2022-2023 year and council has brought in several highly experienced staff to their team, including new staff into the following roles: Chief Executive Officer, Corporate and Commercial Manager, Operations Manager, Finance Manager and Executive Assistant.</p>
<p>Utilise local human resources whenever available.</p>  <p>The screenshot shows a Facebook post from Wujal Wujal Aboriginal Shire Council dated 7 March. The post features the council's logo and a job vacancy for a Cook. The text of the vacancy includes details about the role, qualifications required, and application process.</p>	<p>Council prioritises the employment of local staff. All roles are advertised on the local social media sites, on its public webpage and through word of mouth, in addition to working closely with local agencies and paid work trial staff as appropriate.</p> <p>An example of job vacancy listing on our website and Facebook promotion of a role are shown in the screenshot illustrations here.</p>
<p>Encourage innovative solutions to financial and administrative problems.</p>	<p>The new Corporate and Commercial Manager employed during the 2022-2023 year has expertise in providing innovative solutions to problems, Council looks forward to the positive impact this will begin to have in the next financial year.</p>
<p>Provide a Centrelink agency service that meets the needs of residents of the Shire and surrounding areas</p>	<p>This year has seen several changes in the Centrelink Officers with former staff retiring, replacement staff trained and then left the district, another replacement trained but failed to pass their probation period.</p> <p>Council is now in discussions with the Department of Human Services regarding increasing funding to provide Centrelink services, as Council is not adequately funded by Centrelink and is running Centrelink services at a loss/cost to Council.</p>

Technical Services

Aim: To develop and maintain infrastructure, land use planning and environment services to meet community needs.

Strategy and Performance Indicators	Assessment of progress
Improve and maintain road networks and existing assets.	Minor maintenance in the form of patching and pothole repairs were undertaken. Council is responsible for only a small area of road infrastructure within its borders, approximately 15.7kms of road.
Seek funding from all available funding sources.	The team meet on a weekly basis with Peak Services, who have been contracted to assist with the management of securing funding from all available sources.
Provide quality plant that returns maximum benefits to the Shire.	Regularly maintained and in operational state.
Manage riverbanks areas with sensitivity for their ecologies and environment.	Riverbanks are not maintained by council and are left in a native state, no spraying is undertaken within 20meters of the waters-edge.
Seek contract work from neighbouring Shires and organisations that operate in the region.	Road works for Banabilla Road were undertaken on behalf of Douglas Shire Council and will continue into the next financial year.
Maintain and constantly develop water systems and plan for future community needs that meet all licensing requirements.	Maintenance continued. Council seeking funding for 2023-2024 financial year for upgrades to the filtration system to bypass raw water intake and treatment system water reservoir,

Examples of some of the services provided by council to the community.

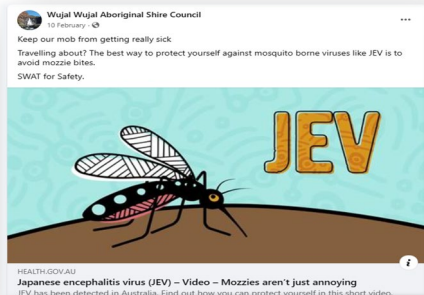

Strategy and Performance Indicators	Assessment of progress
Provide sewage systems for the community that satisfy the licensing requirements and adheres to all regulatory and legislative requirements.	Major works were undertaken for upgrades of sewage treatment plant, at this stage incomplete. Council is seeking funding and re-assessment of initial installation, forecasting completion during 2024.
Provide and enhance a cost-effective waste management system.	All monitoring and maintenance works were undertaken by council operations staff.
Undertake compliance, education with other service providers to ensure that environmental health standards are meet and maintained.	<p>Compliance with environmental health standards maintained.</p> <p>New staff employed during the 2022-2023 financial year trained in their roles and responsibilities. 2023-2024 will see an increased focus on appropriate training.</p>
Provide responsible, effective, and integrated animal management service to the Shire.	<p>Council staff continue to provide regular service to community. This year several of the community's dogs were injured in fights between fully intact male dogs and Council continues to promote the free de-sexing of all dogs within community.</p> <p>Council staff also continue to provide access for all community to information about animal care.</p>

Some of the community's canine residents.

Strategy and Performance Indicators	Assessment of progress
Develop local laws, policies, and procedures in relation to animal management.	No new laws or policies required during the 2022-2023 year; policies are reviewed by staff regularly.
Work collaboratively with neighbouring Shires and other land managers in the area of animal and pest management.	Staff worked closely with Douglas Shire Council, Cook Shire Council and Hope Vale Councils. Strong collaborative relationships are in place.

Keeping the community informed about pests and risks they pose.

Strategy and Performance Indicators	Assessment of progress
Provide ongoing training to staff.	Training as required during the new for new and existing staff. Engagement of several apprentices during the year.
Ensure accident-free workplaces by appropriate training and adhere to state work practices.	Workplace Health and Safety Committee meetings with all managers were re-initiated during the year, Information sharing and policy/procedures were reviewed during these meetings. WHS documentation and templates were updated to provide better governance around WHS and reporting.
Manage the Planning Scheme and assess all development and rezoning applications.	The Wujal Wujal Planning Scheme is due for update by December 2023. Discussions were held with Torres and Cape Indigenous Councils Alliance (TCICA) to undertake Planning Scheme reviews in a collaborative manner to ensure Planning Schemes are updated in an efficient and cost-effective manner.
Deliver compliance based on priorities including financial viability, licensed contracting, and contractual responsibility.	Council operates a 'Preferred Suppliers Register'. All suppliers are required to ensure they comply with all / any insurance, registrations and QBCC Licencing.

Community Services

Aim: To promote and develop a range of support services to cater for the diverse needs of the community.

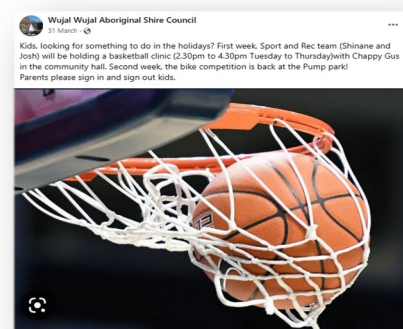

Strategy and Performance Indicators	Assessment of progress
Provide appropriate support for economic development and employment that benefits the Shire.	Elected members and council staff continually investigating options for economic development. An example of this was in January 2023 when elected members and senior staff met with the Queensland Reconstruction Authority (QRA).
Seek funding from all available funding sources.	Council has employed a more strategic approach with sourcing funding that represents good value for council and community.

Elected members and senior staff exploring economic development options for the community.

Strategy and Performance Indicators	Assessment of progress
Facilitate the provision of sporting and recreation facilities to meet the needs of a cross section of community residents.	Council consistently applying for grants to upgrade recreational infrastructure. Existing facilities are well utilised by community. Council employs two staff to run the free after school program for the community's youth.

After school programs actively promoted and available to all

Strategy and Performance Indicators	Assessment of progress
Facilitate the provision of men's and women's support services.	Leased buildings provided for use by Men's and Women's services. Repair of Women's Centre facility to be undertaken in the 2023-2024 financial year once funding source identified.
Maintain, expand, and broaden the opportunities for youth and thus build young people's capacity for self-improvement.	An inclusive sport and recreation program was developed and implemented to engage Wujal Wujal youth in healthy and active social activities. This sport and recreation program is attended by up to 40 children per day.
Research and promote projects that facilitate sustainable cultural and social enterprise, such as the Arts and Cultural Centre.	Projects to upskill and develop local artists and develop quality art to be displayed in local, state, and interstate exhibitions. Planning for commencement of café to operate as a social enterprise for training and development of local people into the hospitality industry.
Increase opportunities to improve general knowledge, literacy skills, culture enlightenment and entertainment through the Indigenous Knowledge Centre.	Assistance provided to community with the use of computers. First Five Forever Program facilitated. Historical and language programs in the Indigenous Knowledge Centre.
Provide kindergarten facilities that will enable kids to have an early start schooling and thus provide better transition to primary school.	Quality Kindergarten facilities enable a supportive and inclusive kindergarten and early learning environment. Kindergarten is well-attended and provides a valuable early education work program.
Provide an effective, informative culturally appropriate community radio system.	Council employs one staff member who runs the community radio station, supported by funding from the National Indigenous Australians Agency (NIAA).
Provide Life Promotion Programs to support community members in need.	Council no longer provides these programs.

Strategy and Performance Indicators	Assessment of progress
Provide quality aged and disabled care facilities and services.	<p>Quality disabled and aged care is available to all who need it within the community and to those living nearby through facilities and programs supplied by Commonwealth Home Support Program (CHSP) and the use of the facilities located in the centre of town.</p> <p>Council supports the provision of quality and empathic care inclusive services, effective communication and collaboration with clients, families, funding providers and other stakeholders.</p>

Residents of the aged care facility enjoying social activities.

Strategy and Performance Indicators	Assessment of progress
Develop residential aged and disabled care facilities and services.	<p>Council has continued to investigate the options to utilise available land for the development of a new aged and disabled care facility for the community. This work is ongoing.</p>

Building Services

Aim: To develop and maintain and renovate infrastructure to improve community housing and council buildings.

Strategy and Performance Indicators	Assessment of progress
Seek funding from all available funding sources.	<p>The team meet on a weekly basis with Peak Services, who have been contracted to assist with the management of securing funding from all available sources.</p>

Strategy and Performance Indicators	Assessment of progress
Ensure the residents have access to good quality housing.	Maintenance of community houses continues and is available to on request.
Make representation to government to ensure that adequate resources are available for housing, construction, major renovations, repairs, and maintenance.	Council engages both internal staff and external subcontractors to undertake housing maintenance and repairs.
Deliver compliance based on priorities including financial viability, licenced contracting.	We have assembled a preferred suppliers lists and followed al QBUILD procurement and contract policies.
Improve strategies for intervention in building disputes before and after the construction process.	Our strategy has been to follow procurement policy and contractual arrangements with Qbuild.

Operational Plan | Highlights of Achievements

Information on the organisation's progress in achieving the strategies outlined in the operational plan was provided to Council through regular reporting each quarter as required by legislation.

The following are some of the **highlights** of achievements during the 2022-2023 financial year against the operational plan.

All staff were provided training in Information Communications and Technology (ICT), with an emphasis on Cyber Security through a user-friendly online training platform that was easy to use and extremely educational.

Organisational structure reviewed and approved by Council.
Critical positions assessed and recruitment underway.

Council implemented an electronic payroll system.

Two (2) 2WD Toyota tray backs purchased for Animal Control and Water Officers. One Nissan Navara dual cab 4x4 with canopy purchased for the Operations Manager.

Water, Animal and Environmental Health Control officers' training undertaken, and further training programmed. Operators currently undertaking Certificate III in Water Industry Operations.

Part time Indigenous Knowledge Centre (IKC) staff recruited and in place, providing access four days a week to the facilities and programs for all members of our community.

The IKC staff have also restarted publication of a community newsletter (The Kaban) which is being well received.

Community Financial Report

The Community Financial Report is a plain English summary of Council's Financial Statements for the period 1 July 2022 to 30 June 2023 and provides an overview of Council's financial management and performance in accordance with Local Government Act 2009, the Local Government Regulation 2012 and Australian Accounting Standards and Interpretations. The financial statements this report is based on have also been audited by the Queensland Audit Office.

The report is consistent with the 2022/2023 audited financial statements and aims to simplify Council's official Financial Statements by providing a visual representation of our financial performance and financial position and include the following:

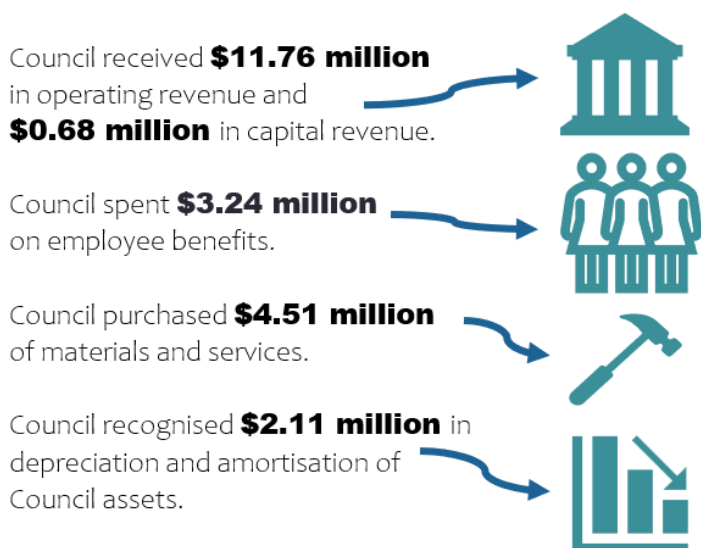

1. Statement of Comprehensive Income provides a summary of Council's financial performance and includes Council's operating and capital revenue, operating expenses, capital income and capital expenses for the period.
2. Statement of Financial Position provides a snapshot of Council's Assets and Liabilities at 30 June 2023.
3. Statement of Changes in Equity shows the overall change for the year in Council's 'net wealth.'
4. Statement of Cash Flows indicates where Council's cash came from and where it was spent.
5. Measures of Financial Sustainability provide three sustainability indicators designed to help monitor the current and long-term sustainability of Council.

Snapshot of highlights

Collectively the statements provide a detailed profile on the financial performance and health of Council.

Revenue Sources and Expenditure: where does the money come from and where does it go?

1. Statement of Comprehensive Income

The Statement of Comprehensive Income measures how Council performed in relation to income and expenses during the financial year. This statement illustrates how money received from Council operations is spent.

Revenue

Summary

Operational revenue decreased by \$5,035,647 and Capital revenue decreased by \$25,246.

Capital revenue consists of grants and subsidies from Federal and State agencies that allow Council to build or upgrade its facilities.

At a glance: Financial Statements for the period 1 July 2022 to 30 June 2023

	2023	2022
Operating Revenue	11,757,442	6,721,795
Operating Expenses	9,990,286	8,717,997
Operating Position	1,767,156	-1,996,202

Capital Revenue	681,586	706,832
Capital Expenses	-814,020	0
Net Result	1,634,721	-1,289,370
Asset Revaluation surplus	2,236,897	2,808,173
Total Comprehensive income for the year	3,871,617	1,518,803

Current Assets	7,731,614	3,731,807
Non Current Assets	48,593,159	48,530,667
Total Assets	56,324,773	52,262,473

Current Liabilities	4,447,060	3,866,038
Non-Current Liabilities	3,081,549	3,471,890
Total Liabilities	7,528,609	7,337,928

Net Community Assets (Equity)	48,796,162	44,924,544
--------------------------------------	-------------------	-------------------

Income

Income Source Value

Fees	1,122,308
Rent	177,813
Interest	8,268
Sales	2,761,380
Other	1,323,563
Grants	6,632,668
Capital Grants	413,028

Expenditure

Summary: Expenditure increased by \$1,272,289 from 2021/2022.

This consisted of increase in spend for materials and services (\$763,166), employee benefits (\$99,087) and finance costs (\$68,254).

Net position | 2012 – 2023

The net result is the difference between the income Council has received for the financial year less the expenses it has incurred throughout the financial year.

In the financial year ended 30 June 2023, the Net Result for Council was a surplus of \$3.87 million. This surplus was achieved through an improvement in recurrent revenue from the previous year (\$5 million).

2. Statement of Financial Position

Current Assets

The Statement of Financial Position measures what we own (our assets) and what we owe (our debts), **resulting in our net worth** at the end of the financial year.

Current assets	
Cash and cash equivalents	\$6,841,449
Trade and other receivables	\$594,410
Inventories	\$42,787
Other financial assets	\$252,968
Total current assets	\$7,731,614
Non-current assets	
Other financial assets	\$2,225,885
Investment in joint venture	\$412,957
Property, plant and equipment	\$45,954,316
Total non-current assets	\$48,593,159
Total assets	\$56,324,773

Current liabilities	
Trade and other payables	\$618,046
Contract Liabilities	\$3,245,197
Borrowings	\$346,401
Lease Liabilities	\$0
Provisions	\$237,415
Total Current Liabilities	\$4,447,060
Non-current liabilities	
Payables	\$34,307
Borrowings	\$2,939,816
Provisions	\$107,426
Total Non-Current Liabilities	\$3,081,549
Net community assets	\$48,796,162

Through careful and effective financial management, Council increased its cash balances, or cash in the bank. As cash is an asset, this increase of cash balances is reflected as an increase in assets.

Total Assets increased by \$4,062,299.

Assets

Cash	\$6,841,449
Receivables	\$594,410
Inventories	\$42,787
Other	\$2,478,853
Joint venture	\$412,957
Property, Plant & Equipment	\$45,954,316

Breakdown of property, plant, and equipment

Land	\$1,232,277
Building	\$15,436,393
Motor Vehicles	\$275,742
Plant & Equipment	\$1,330,501
Furniture, Fittings & Other	\$1,068
Water	\$7,406,869
Sewerage	\$4,254,658
Road	\$9,175,190
Other	\$5,164,398
Work in Progress	\$1,677,220
Total	\$45,954,316

3. Statement of Changes in Equity

In the 202/2023 financial year, Council's net worth increased by \$3.87 million.

Achieved a
positive
net result of
\$3.87million.

4. Statement of Cash Flows

- The Statement of Cash Flows shows where Council's cash came from and how it was spent throughout the year. It differs from the earlier reports as non-cash items such as depreciation are excluded.
- The closing balance reflects how much cash Council had at year end.
- Restrictions are held over cash that has been received that has a performance obligation.
- The most important is the cashflow from Operations, which is a good indicator of financial health.
- Informs you of Council's ability to generate cash flows from its customers and pay for its obligations which include suppliers and employees.

Cash flow
from investing
activities increased
from a deficit of
\$964,031 to
\$1,981,008.

Net cash flow
from financing
operations increased
from \$617,439 to
\$2,702,423.

Cash flow from investing activities include purchase and sale of property as well as well capital grants and are largely instructed by grants, subsidies, contributions, and donations.

Cash flow from
financing activities
reduced
from \$3,550,213 to a
deficit of \$389,712.

Council has a large loan with Queensland Treasury Corporation. The payments of this loan each month result in a decrease in available cashflow.

Council liabilities

5. Measures of Financial Sustainability

The Financial Sustainability Statement and the associated measures (ratios) provide evidence of Council's ability to continue operating and provide an acceptable level of service and infrastructure to the community into the future.

Council's performance at 30 June 2023 against key financial ratios are listed below:

Financial Sustainability Ratios

Ratio	Target	Result
Operating Surplus Ratio	Between 0% and 10%	15%
Asset Sustainability Ratio	Greater than 90%	1%
Net Financial Liabilities Ratio	Not greater than 60%	-2%

Operating Surplus and **Net Financial Liabilities Ratios** measure Council's ability to maintain financial capital over the long term.

The **Asset Sustainability Ratio** measures Council's ability to maintain infrastructure capital over the long-term.

- Council was able to achieve a positive operating surplus ratio.
- Council's Asset Sustainability Ratio is well below the targeted range. This may indicate insufficient spending on asset replacement.
- The Net Financial Liabilities Ratio is within target. This indicates there are no concerns over the ability to repay debt from operating revenue.

For further details on these three key financial ratios, please refer to page 77 of this document which forecasts the outcomes for each ratio for the next 10 years to 2033.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

1 Information about these financial statements

1.A Basis of preparation

Wujal Wujal Aboriginal Shire Council is constituted under the Queensland *Local Government Act 2009* and is domiciled in Australia. These general purpose financial statements are for the period 1 July 2022 to 30 June 2023 and have been prepared in compliance with the requirements of the *Local Government Act 2009* and the *Local Government Regulation 2012*.

These financial statements comply with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB). Council is a not-for-profit entity for financial reporting purposes and these financial statements comply with Australian Accounting Standards and Interpretations as applicable to not-for-profit entities.

These financial statements have been prepared under the historical cost convention except for the revaluation of certain classes of property, plant and equipment.

1.B Date of authorisation

The financial statements were authorised for issue on the date the management certificate was signed.

1.C New and revised Accounting Standards adopted during the year

Wujal Wujal Aboriginal Shire Council adopted all standards which became mandatorily effective for annual reporting periods beginning 1 July 2022. There were no standards which had an impact on reported position, performance and cash flows of Council.

1.D Standards issued by the AASB not yet effective

The AASB has issued Australian Accounting Standards and Interpretations which are not effective at 30 June 2023, these standards have not been adopted by Council and will be included in the financial statements on their effective date. Council do not expect standards issued but not yet effective to have a significant impact on the financial statements.

1.E Estimates and judgements

Councils make a number of judgements, estimates and assumptions in preparing these financial statements. These are based on the best information available to Council at the time, however due to the passage of time, these assumptions may change and therefore the recorded balances may not reflect the final outcomes. The significant judgements, estimates and assumptions relate to the following items and specific information is provided in the relevant note:

Revenue - **Note 3**

Valuation and depreciation of property, plant and equipment - **Note 12**

Impairment of property, plant and equipment - **Note 12**

Provisions - **Note 17**

Contract balances - **Note 13**

Valuation of finance leases - **Note 14**

Contingent liabilities - **Note 21**

1.F Rounding and comparatives

The financial statements are in Australian dollars and have been rounded to the nearest \$1.

Comparative information is stated on the same basis as the prior year.

1.G Taxation

Income of local authorities and public authorities is exempt from Commonwealth taxation except for Fringe Benefits Tax and Goods and Services Tax ('GST'). The net amount of GST recoverable from the ATO or payable to the ATO is shown as a consolidated asset or liability.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements

2 Analysis of Results by Function

(a) Components of Council functions

The activities relating to the Council's components reported on in Note 2(b) are as follows :

Corporate governance

The objective of corporate governance is for Council to be open, accountable, transparent and deliver value for money community outcomes. This function includes strategic and operational planning, marketing and communication, risk management, internal audit, legal and administrative support. The Mayor, Councillors and Chief Executive Officer activities are included in corporate governance.

Corporate services

Corporate services provides administration, finance and information services across all of council. This function includes human resource management, budget support, financial accounting, and information technology services. The goal of this function is to provide accurate, timely and appropriate information to support sound decision making and meet statutory requirements and to provide appropriate services to all of the activities of Council.

Technical services

This function is responsible for the road transport network, parks and gardens, waste management and the water and sewerage networks. The objectives are to ensure the community is serviced by a high quality and effective road network, to protect and support the community and natural environment by sustainably managing refuse through provision of rubbish collection and disposal services, mosquito and other pest management programs and to support a healthy, safe community by sustainably managing the water and sewerage network infrastructure.

Community services & economic development

The goal of community services is to ensure Wujal Wujal is a healthy, vibrant, contemporary and connected community. Community services provides well managed and maintained community facilities, and ensures the effective delivery of cultural, health, welfare, environmental and recreational services.

This function includes libraries, kindergarten, entertainment venues, art gallery and cafe, community care services and facilities and environmental licences and approvals.

Building services

This function facilitates the Shire's growth and prosperity through well planned and quality development. The objective of building services is to ensure the Wujal Wujal Aboriginal Shire is well designed, efficient and facilitates growth yet also preserves the character and natural environment of the Shire. This function includes activities and services related to town and regional planning, maintenance of Council assets and management of development approval processes.

For the year ended 30 June 2023

3 Revenue

(a) Fees and charges

Revenue arising from fees and charges is recognised when or as the performance obligation is completed and the customer receives the benefit of the goods / services being provided.

The performance obligation relates to the specific services which are provided to the customers and generally the payment terms are within 30 days of the provision of the service or in some cases, the customer is required to pay on arrival, for example recreation/camping reserve fees. There is no material obligation for Council in relation to refunds or returns.

	2023	2022
	\$	\$
Administration and utility charges	1,060,392	922,098
Bank and Post Office agency commissions	23,841	37,385
Centrelink commissions	27,038	26,677
Other fees and charges	11,037	39,288
Total fees and charges	1,122,308	1,025,448

(b) Sales revenue

Sale of goods revenue is recognised when the customer has taken delivery of the goods. Revenue from services is recognised when the service is rendered.

Revenue from contracts and recoverable works generally comprises a recoupment of material costs together with an hourly charge for use of equipment and employees. This revenue and the associated costs are recognised by reference to the stage of completion of the contract activity based on costs incurred at the reporting date. Where consideration is received for the service in advance it is included in contract liabilities and is recognised as revenue in the period when the service is performed. There are no contracts in progress at the year end. The contract work carried out is not subject to retentions.

	2023	2022
	\$	\$
Contracts and recoverable works		
Sales Revenue	704,520	421,673

Total sales revenue	2,761,380	1,348,100

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

3 Revenue (continued)

(c) Grants, subsidies, contributions and donations

Grant income under AASB 15

Where grant income arises from an agreement which is enforceable and contains sufficiently specific performance obligations then the revenue is recognised when control of each performance obligation is satisfied.

The performance obligations are varied based on the agreement. Payment terms vary depending on the terms of the grant, cash is received upfront for some grants and on the achievement of certain payment milestones for others.

Each performance obligation is considered to ensure that the revenue recognition reflects the transfer of control and within grant agreements there may be some performance obligations where control transfers at a point in time and others which have continuous transfer of control over the life of the contract.

Where control is transferred over time, generally the input methods being either costs or time incurred are deemed to be the most appropriate methods to reflect the transfer of benefit.

Grant income under AASB 1058

Assets arising from grants in the scope of AASB 1058 is recognised at the assets fair value when the asset is received. Council considers whether there are any related liability or equity items associated with the asset which are recognised in accordance with the relevant accounting standard.

Once the assets and liabilities have been recognised then income is recognised for any remaining asset value at the time that the asset is received.

Capital grants

Capital grants received to enable Council to acquire or construct an item of property, plant and equipment to identified specifications which will be under Council's control and which is enforceable are recognised as revenue as and when the obligation to construct or purchase is completed.

For construction projects, this is generally as the construction progresses in accordance with costs incurred since this is deemed to be the most appropriate measure of the completeness of the construction project as there is no profit margin.

Where assets are donated or purchased for significantly below fair value, the revenue is recognised when the asset is acquired and controlled by the Council.

Physical assets contributed to Council by developers in the form of road works, stormwater, water and wastewater infrastructure and park equipment are recognised as revenue when the development becomes "on maintenance" (i.e. the Council obtains control of the assets and becomes liable for any ongoing maintenance) and there is sufficient data in the form of drawings and plans to determine the approximate specifications and values of such assets. Physical asset contributions with a value in excess of the recognition thresholds are recognised as non-current assets. Those below the thresholds are recorded as expenses.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

9 Cash and cash equivalents

Cash and cash equivalents in the statement of cash flows includes cash on hand, all cash received but not banked at year end, and deposits held at call with financial institutions.

	Note	2023 \$	2022 \$
Cash at bank and on hand		6,841,449	2,547,730
Balance per Statement of Financial Position		6,841,449	2,547,730
Balance per Statement of Cash Flows		6,841,449	2,547,730

Council is exposed to credit risk through its investments in the QTC Working Capital Facility. Working Capital Facility deposits have a duration of one day and all investments are required to have a minimum credit rating of "A-", the likelihood of the counterparty not having capacity to meet its financial commitments is low.

Cash and cash equivalents		6,841,449	2,547,729
Less: Externally imposed restrictions	(i)	3,245,197	2,284,224
Less: Internally imposed restrictions	(ii)	735,623	735,623
Total unrestricted cash		2,860,629	(472,117)

Council's cash and cash equivalents are subject to a number of internal and external restrictions that limit amounts available for discretionary or future use.

(i) Externally imposed expenditure restrictions at reporting date relate to the following cash assets:

Unspent government grants and subsidies	3,245,197	2,284,224
Total externally imposed restrictions on cash assets	3,245,197	2,284,224

(ii) Internal allocations of cash at reporting date:

Constrained Works Reserve	624,245	624,245
Constrained Contributions Reserve	111,378	111,378
	735,623	735,623

10 Receivables

Receivables are amounts owed to Council at year end. Receivables are measured at amortised cost which approximates fair value at reporting date. Trade debtors are recognised at the amounts due at the time of sale or service delivery i.e. the agreed purchase/contract price. Settlement of these amounts is required within 30 days from invoice date.

Debts are regularly assessed for collectability and allowance is made, where appropriate, for impairment. All known bad debts were written-off at 30 June. If an amount is recovered in a subsequent period it is recognised as revenue.

	2023 \$	2022 \$
Current		
Trade debtors	358,986	103,234
Less: loss allowance	(10,561)	(7,434)
Trade debtors net	348,426	95,800
Other debtors	245,985	262,928
Total current receivables	594,410	358,728

Ageing of past due receivables and the amount of any impairment is disclosed in the following table:

Not past due	252,543	60,238
Past due 31-60 days	279,390	38,589
Past due 61-90 days	1,573	486
More than 90 days	71,465	11,356
Trade Debtors	604,971	110,668
Impaired	(10,561)	(7,434)
Total	594,410	103,234

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

10 Receivables (continued)

Credit risk is the risk of financial loss if a counterparty to a financial instrument fails to meet its contractual obligations. These obligations arise principally from the Council's receivables from customers.

The maximum exposure to credit risk at balance date for receivables is the gross carrying amount of those assets. No collateral is held as security.

Wujal Wujal Aboriginal Shire Council conducts an assessment of individual debts to determine expected credit losses. Based on the composition of Council's debtors, and controls in place relating to credit approval and monitoring, there is an immaterial risk of impairment of Council's debtors.

11 Inventories

Stores, raw materials and other goods held for resale are valued at the lower of cost and net realisable value and include, where applicable, direct material, direct labour and an appropriate portion of variable and fixed overheads.

Inventories held for distribution are:

- goods to be supplied at nil or nominal charge
- goods to be used for the provision of services at nil or nominal charge

These goods are valued at cost, adjusted, where applicable, for any loss of service potential.

	2023 \$	2022 \$
Fuel stores	38,419	36,451
Plant and equipment stores	4,367	15,266
Total inventories	<u>42,787</u>	<u>51,717</u>

Wujal Wujal Aboriginal Shire Council

Notes to the Financial Statements

For the year ended 30 June 2023

12 Property, plant and equipment accounting policies

Items of plant and equipment with a total value of less than \$5,000, and infrastructure assets and buildings with a total value of less than \$10,000 are treated as an expense in the year of acquisition. All other items of property, plant and equipment are capitalised.

(a) Acquisition of assets

Acquisitions of assets are initially recorded at cost.

(b) Measurement

Property plant and equipment assets are initially recorded at cost. Subsequently, each class of property, plant and equipment is stated at cost or fair value less, where applicable, any accumulated depreciation and accumulated impairment loss.

Cost is determined as the fair value of the assets given as consideration plus costs incidental to the acquisition, including freight in, architect's fees and engineering design fees and all other establishment costs.

Direct labour and materials and an appropriate proportion of labour oncosts incurred in the acquisition or construction of assets are also included in their cost.

Property, plant and equipment received in the form of contributions, are recognised as assets and revenues at fair value.

(c) Depreciation

Land is not depreciated as it has an unlimited useful life. Depreciation on other property, plant and equipment assets is calculated on a straight-line basis so as to write-off the net cost or revalued amount of each depreciable asset, less its estimated residual value, progressively over its estimated useful life to the Council. Management believe that the straight-line basis appropriately reflects the pattern of consumption of all Council assets.

Assets are depreciated from the date of acquisition or, in respect of internally constructed assets, from the time an asset is completed and commissioned ready for use.

Where assets have separately identifiable components that are subject to regular replacement, these components are assigned useful lives distinct from the asset to which they relate. Any expenditure that increases the originally assessed capacity or service potential of an asset is capitalised and the new depreciable amount is depreciated over the remaining useful life of the asset to the Council.

Depreciation methods, estimated useful lives and residual values of property, plant and equipment assets are reviewed at the end of each reporting period and adjusted where necessary to reflect any changes in the pattern of consumption, physical wear and tear, technical or commercial obsolescence, or management intentions. The condition assessments performed as part of the annual valuation process for assets measured at written down current replacement cost are used to estimate the useful lives of these assets at each reporting date. Details of the range of estimated useful lives for each class of asset are shown in the table on page 17.

Key judgements and estimates:

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical or physical obsolescence that may change the utility of infrastructure assets.

(d) DOGIT and other land

The Council is located on land assigned to it under a Deed of Grant in Trust (DOGIT) under Section 34I of the Land Act 1994.

The land is administered by the Department of Natural Resources and Mines and the Council has restricted use of this land for the benefit of shire inhabitants. The DOGIT land has not been taken up in the Council's assets as its value cannot be reliably measured.

Council also holds additional freehold land outside its DOGIT and Local Government area, in the township of Ayton and the area of Degarra. This land is measured at fair value.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

12 Property, plant and equipment accounting policies

(e) Impairment

Each non-current physical asset and group of assets is assessed for indicators of impairment annually. If an indicator of possible impairment exists, the Council determines the asset's recoverable amount. Any amount by which the asset's carrying amount exceeds the recoverable amount is recorded as an impairment loss. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

An impairment loss is recognised as an expense in the Statement of Comprehensive Income, unless the asset is carried at a revalued amount. When the asset is measured at a revalued amount, the impairment loss is offset against the asset revaluation surplus of the relevant class to the extent available.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised as income unless the asset is carried at a revalued amount, in which case the reversal of the impairment loss is treated as a revaluation surplus increase.

(f) Valuation

(i) Valuation processes

Non-current physical assets measured at fair value are revalued, where required, so that the carrying amount of each class of asset does not materially differ from its fair value at the reporting date. This is achieved by engaging independent, professionally qualified valuers to determine the fair value for each class of property, plant and equipment assets at least once every 5 years. This process involves the valuer physically sighting a representative sample of Council assets across all asset classes and making their own assessments of the condition of the assets at the date of inspection.

In the intervening years, for the valuation of the land, buildings and infrastructure asset classes, management engage independent, professionally qualified valuers to perform a "desktop" valuation. A desktop valuation involves management providing updated information to the valuer regarding additions, deletions and changes in assumptions such as useful life, residual value and condition rating. The valuer then determines suitable indices which are applied to each of these asset classes.

Any revaluation increment arising on the revaluation of an asset is credited to the appropriate class of the asset revaluation surplus, except to the extent it reverses a revaluation decrement for the class previously recognised as an expense. A decrease in the carrying amount on revaluation is charged as an expense to the extent it exceeds the balance, if any, in the revaluation surplus of that asset class.

On revaluation, accumulated depreciation is restated proportionately with the change in the carrying amount of the asset and any change in the estimate of remaining useful life.

Key judgements and estimates:

Some of the Council's assets and liabilities are measured at fair value for financial reporting purposes. In estimating the fair value of an asset or a liability, the Council uses market-observable data to the extent it is available and other inputs as necessary.

In accordance with AASB 13 Fair Value Measurement, fair value measurements are categorised on the following basis:

- Fair value based on quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- Fair value based on inputs that are directly or indirectly observable, such as prices for similar assets, for the asset or liability (Level 2);
- Fair value based on unobservable inputs for the asset and liability (Level 3).

There were no transfers between levels of the hierarchy during the year.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

12 Property, plant and equipment accounting policies (Continued)
(ii) Valuation techniques used to derive fair values for level 3 valuations

Asset class and fair value hierarchy	Valuation approach	Last comprehensive valuation date	Valuer engaged	Key assumptions and inputs	Interim revaluation treatments
Land (level 2 & 3)	Market	30 June 2021	Australis Asset Advisory Group	Where an observable market for Council land assets could be identified, Fair Value was measured by way of a Market Approach (Level 2), utilising sale prices of comparable properties after adjusting for differences in key attributes of the property, such as size. Where a significant adjustment was required between the sale prices of comparable properties, Fair Value was measured by way of a Market Approach (Level 3). The most significant input into this valuation approach is price per square metre.	Council has engaged Australis Asset Advisory Group to undertake a desktop assessment for the year ended 30 June 2023. Based on this assessment, Council have applied indexation of -2.4% to this class.
Buildings (level 3)	Current replacement cost	30 June 2021	Australis Asset Advisory Group	All WWASC building and other infrastructure assets are considered of a specialist nature and did not meet the criteria for a Market approach, and Fair Value was measured on the basis of a Cost Approach (Level 3). Each asset has been disaggregated into significant components which exhibit different useful lives. For example, structure, roof, fit-out and services. Useful lives are based on typical asset lifecycles based on past experience and industry benchmarks. The most significant input into this valuation approach is unit rates for construction as at the comprehensive revaluation date (drawn from industry standard cost guides, costs from recent Council projects). Asset dimensions, construction materials and standards drive the resulting calculation of replacement cost which is then adjusted for differences in key attributes such as asset condition, physical and economic obsolescence. The remaining useful life has been determined with regard to physical deterioration, and functional and economic obsolescence, and management and the valuer's expectation of remaining service potential of the asset.	Council has engaged Australis Asset Advisory Group to undertake a desktop assessment for the year ended 30 June 2023. Based on this assessment, Council have applied indexation of 5.4% to this class.
Other Infrastructure (level 3)	Current replacement cost	30 June 2021	Australis Asset Advisory Group	Each asset has been disaggregated into significant components which exhibit different useful lives. For example pipework, structures, pumps and electrical components. Useful lives are based on typical asset lifecycles based on past experience and industry benchmarks. The most significant input into this valuation approach is unit rates for construction as at the comprehensive revaluation date (drawn from industry standard cost guides, costs from recent Council projects). Asset dimensions, construction materials and standards drive the resulting calculation of replacement cost which is then adjusted for differences in key attributes such as asset condition, physical and economic obsolescence. The remaining useful life has been determined with regard to physical deterioration, and functional and economic obsolescence, and management and the valuer's expectation of remaining service potential of the asset. Where site inspections are not possible the remaining useful life was calculated on an age basis after taking into consideration current and planned maintenance records.	Council has engaged Australis Asset Advisory Group to undertake a desktop assessment for the year ended 30 June 2023. Based on this assessment, Council have applied indexation of 5.5% to this class.
Water Infrastructure (level 3)	Current replacement cost	30 June 2021	Australis Asset Advisory Group	Each asset has been disaggregated into significant components which exhibit different useful lives. For example pipework, structures, pumps and electrical components. Useful lives are based on typical asset lifecycles based on past experience and industry benchmarks. The most significant input into this valuation approach is unit rates for construction as at the comprehensive revaluation date (drawn from industry standard cost guides, costs from recent Council projects). Asset dimensions, construction materials and standards drive the resulting calculation of replacement cost which is then adjusted for differences in key attributes such as asset condition, physical and economic obsolescence. The remaining useful life has been determined with regard to physical deterioration, and functional and economic obsolescence, and management and the valuer's expectation of remaining service potential of the asset. Where site inspections are not possible the remaining useful life was calculated on an age basis after taking into consideration current and planned maintenance records.	Council has engaged Australis Asset Advisory Group to undertake a desktop assessment for the year ended 30 June 2023. Based on this assessment, Council have applied indexation of 6.66% to this class.
Sewerage Infrastructure (level 3)	Current replacement cost	30 June 2021	Australis Asset Advisory Group	Each asset has been disaggregated into significant components which exhibit different useful lives. For example mains, manholes, pumps and electrical components. Useful lives are based on typical asset lifecycles based on past experience and industry benchmarks. The most significant input into this valuation approach is unit rates for construction as at the comprehensive revaluation date (drawn from industry standard cost guides, costs from recent Council projects). Asset dimensions, construction materials and standards drive the resulting calculation of replacement cost which is then adjusted for differences in key attributes such as asset condition, physical and economic obsolescence. The remaining useful life has been determined with regard to physical deterioration, and functional and economic obsolescence, and management and the valuer's expectation of remaining service potential of the asset. Where site inspections are not possible the remaining useful life was calculated on an age basis after taking into consideration current and planned maintenance records.	Council has engaged Australis Asset Advisory Group to undertake a desktop assessment for the year ended 30 June 2023. Based on this assessment, Council have applied indexation of 6.95% to this class.
Roads Network (level 3)	Current replacement cost	30 June 2021	Australis Asset Advisory Group	Road assets are differentiated by physical characteristics (i.e. Road, Culverts, Floodways, Footpaths, Kerb & Channel). Road segments are then componentised into formation, pavement and seal (where applicable). Useful lives are based on typical asset lifecycles based on past experience and industry benchmarks. The most significant input into this valuation approach is unit rates for construction as at the comprehensive revaluation date (drawn from industry standard cost guides, costs from recent Council projects). Asset dimensions, construction materials and standards drive the resulting calculation of replacement cost which is then adjusted for differences in key attributes such as asset condition, physical and economic obsolescence. The remaining useful life has been determined with regard to physical deterioration, and functional and economic obsolescence, and management and the valuer's expectation of remaining service potential of the asset. Where site inspections are not possible the remaining useful life was calculated on an age basis after taking into consideration current and planned maintenance records.	Council has engaged Australis Asset Advisory Group to undertake a desktop assessment for the year ended 30 June 2023. Based on this assessment, Council have applied indexation of 8.97% to this class.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

13 Contract balances

Where the amounts billed to customers are based on the achievement of various milestones established in the contract, the amounts recognised as revenue in a given period do not necessarily coincide with the amounts billed to or certified by the customer.

When a performance obligation is satisfied by transferring a promised good or service to the customer before the customer pays consideration or before payment is due, Council presents the work in progress as a contract asset, unless the rights to that amount of consideration are unconditional, in which case Council recognises a receivable.

When an amount of consideration is received from a customer / fund provider prior to Council transferring a good or service to the customer, Council presents the funds which exceed revenue recognised as a contract liability.

	2023	2022
	\$	\$
(a) Contract assets	166,790	694,770
(b) Contract liabilities		
Funds received upfront to construct Council controlled assets	1,941,841	788,574
Non-capital performance obligations not yet satisfied	1,303,356	1,495,650
	3,245,197	2,284,224
Revenue recognised that was included in the contract liability balance at the beginning of the year		
Funds to construct Council controlled assets	295,317	931,564
Non-capital performance obligations	759,919	-
	1,055,236	931,564

Satisfaction of contract liabilities

The contract liabilities in relation to capital grants relate to funding received prior to the work being performed since revenue is recognised as Council constructs the assets. Council expects to recognise the contract liability as income in the next 1-2 years.

Significant changes in contract liabilities

Significant movements in contract assets and contract liabilities that have occurred during the year relate to change in the timing of the work and significant monies received in advance, in particular in relation to W4Q and QRA projects.

14 Leases

Council as a lessee

Council has leases in place over plant and equipment, specifically a loader (2022: grader and loader). The contract expired in 2023. Periodic payments occur in accordance with the finance lease schedule.

Where Council assesses that an agreement contains a lease, a right-of-use asset and lease liability is recognised on the inception of the lease. Council does not separate lease and non-lease components for any class of assets and has accounted for lease payments as a single component.

The right-of-use asset is measured using the cost model where cost on initial recognition comprises: the lease liability, initial direct costs, prepaid lease payments, estimated cost of removal and restoration, less any lease incentives received. The right-of-use asset is depreciated over the lease term on a straight-line basis and assessed for impairment in accordance with the impairment of asset accounting policy.

The lease liability is initially recognised at the present value of the remaining lease payments at the commencement of the lease. The discount rate is the rate implicit in the lease, however where this cannot be readily determined then the Council's incremental borrowing rate for a similar term with similar security is used.

Exceptions to lease accounting

Council has applied the exceptions to lease accounting for both short-term leases (i.e. leases with a term of less than or equal to 12 months) and leases of low-value assets. Council recognises the payments associated with these leases as an expense on a straight-line basis over the lease term.

Leases at significantly below market value / concessionary leases

Council has elected to measure the right-of-use asset arising from the concessionary leases at cost which is based on the associated lease liability at initial recognition.

Right of use assets

Lease assets are included within Note 12.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

14 Leases (Continued)
Lease liabilities

The table below shows the maturity analysis of the lease liabilities based on contractual cashflows and therefore the amounts will not be the same as the recognised lease liability in the statement of financial position.

	2023	2022
	\$	\$
Not later than one year	-	55,046
Later than one year but not later than five years	-	-
Total per statement of financial position	-	55,046

Council as a lessor

When council is a lessor, the lease is classified as either an operating or finance lease at inception date, based on whether substantially all of the risks and rewards incidental to ownership of the asset have been transferred to the lessee. If the risks and rewards have been transferred then the lease is classified as a finance lease, otherwise it is an operating lease.

If the lease contains lease and non-lease components then the non-lease components are accounted for in accordance with AASB 15 *Revenue from Contracts with Customers*.

The lease income is recognised on a straight-line basis over the lease term.

Finance leases:

Council has leased 83 (2022 - 83) dwellings as lessor to the Queensland Government for 40 years. The average lease payment per dwelling in the current year was \$950.14 (2022 - \$967), in addition, there was also approximately \$10,606 (2022 - \$9,399) in service charges applied per property. As the gross lease payments are insufficient to cover the fair value (depreciated replacement cost) of the leased properties, there is no interest rate implicit in the leases and therefore no finance income will arise from the leases. The leases are recognised at the present value of the expected future lease payments receivable, excluding service charges (i.e. NPV method is used). Gains on revaluation of finance lease assets are recognised as "other income" when the cashflows diminish and the discount rate declines year on year. Conversely, in the future, when the discount rate increases and the cashflows diminish, losses on finance lease asset revaluations will be recognised as "other expenses".

	2023	2022
	\$	\$
Lease receivables		
Current	86,178	78,861
	86,178	78,861

Non-current	2,225,885	3,097,144
	2,225,885	3,097,144

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

14 Leases (Continued)

Finance leases (continued):

A reconciliation between the gross investment in the lease and the fair value of lease payments is as follows:

	2023	2022
	\$	\$
Gross minimum lease payments receivable:		
Not later than one year	86,178	78,861
Later than one year but not later than five years	344,713	315,445
Later than five years	2,199,186	2,091,327
	<u>2,630,077</u>	<u>2,485,634</u>
Add: Estimated contingent rent	2,610,624	4,539,977
Less: Present value adjustment	(2,928,638)	(3,849,606)
Fair value of lease payments	<u><u>2,312,063</u></u>	<u><u>3,176,005</u></u>

The fair value of lease payments are receivable as follows:

Not later than one year	86,178	78,861
Later than one year but not later than five years	337,160	327,797
Later than five years	1,888,725	2,769,347
	<u><u>2,312,063</u></u>	<u><u>3,176,005</u></u>

Movements in finance leases were as follows:

Opening balance	3,176,005	3,181,065
Less: Lease receipts	(80,223)	(76,810)
Gain (Loss) on revaluation	(783,718)	71,749
Closing balance	<u><u>2,312,063</u></u>	<u><u>3,176,005</u></u>

The calculation of fair value has included an estimate of average annual CPI increases of 4.25% for 2022/23 (2022: 6%) and a discount rate of 5.18% for 2022/23 (2022: 4.39%).

There is nil unearned finance income, unguaranteed residual values accruing to the benefit of Council, accumulated allowance for uncollectible minimum lease payments receivable recognised as income applicable to the leases. There is, however, a contingent rent recognised of \$2,610,624 (2022: \$4,539,977) which is the difference between nominal rents and consumer price indexation of rents.

15 Payables

Creditors are recognised when goods or services are received, at the amount owed. Amounts owing are unsecured and are generally settled on 30 day terms.

A liability for salaries and wages is recognised and measured as the amount unpaid at the reporting date at current pay rates in respect of employees' services up to that date. This liability represents a current accrued expense.

	2023	2022
	\$	\$
Current		
Accounts payable	786	119,688
Accrued expenses	496,750	619,300

Non-Current		
Other creditors and accruals	34,307	50,567
	<u><u>34,307</u></u>	<u><u>50,567</u></u>

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

16 Borrowings

Borrowings are initially recognised at fair value plus any directly attributable transaction costs. Thereafter, they are measured at amortised cost. Principal and interest repayments are made quarterly in arrears.

All borrowings are in \$A denominated amounts and interest is expensed as it accrues. No interest has been capitalised during the current or comparative reporting period. The expected final repayment date is 15 February 2032.

	2023 \$	2022 \$
Current		
Current Loans - QTC	346,401	338,148
	<u>346,401</u>	<u>338,148</u>
Non-Current		
Non-Current Loans - QTC	2,939,816	3,282,737
	<u>2,939,816</u>	<u>3,282,737</u>

The QTC loan market value at the reporting date was \$3,022,708.02. This represents the value of the debt if Council repaid it at that date. As it is the intention of Council to hold the debt for its term, no provision is required to be made in these accounts.

No assets have been pledged as security by the Council for any liabilities.

There has been no defaults or breaches of the loan agreement during the 2023 financial year.

17 Provisions

Liabilities are recognised for employee benefits such as annual and long service leave in respect of services provided by the employees up to the reporting date. The liability is calculated using the present value of remuneration rates that will be paid when the liability is expected to be settled and includes related on-costs.

As Council does not have an unconditional right to defer settlement of the annual leave beyond twelve months after the reporting date, annual leave is classified as a current liability.

A liability for long service leave is measured as the present value of the estimated future cash outflows to be made in respect of services provided by employees up to the reporting date. The value of the liability is calculated using current pay rates and projected future increases in those rates and includes related employee on-costs. The estimates are adjusted for the probability of the employee remaining in Council's employment or other associated employment which would result in council being required to meet the liability. Adjustments are then made to allow for the proportion of the benefit earned to date, and the result is discounted to present value. The interest rates attaching to Commonwealth Government guaranteed securities at the reporting date are used to discount the estimated future cash outflows to their present value.

Where employees have met the prerequisite length of service and Council does not have an unconditional right to defer this liability beyond 12 months long service leave is classified as a current liability. Otherwise it is classified as non-current.

	2023 \$	2022 \$
Current

(b) Transactions with other related parties

Other related parties include the close family members of KMP and any entities controlled or jointly controlled by KMP or their close family members. Close family members include a spouse, child and dependent of a KMP or their spouse.

Details of transactions between council and other related parties are disclosed below:

Details of transactions	2023	2022
	\$	\$
Employee expenses of close family members of KMP (5 employees, 2022: 3)	249,057	211,528

(i) All close family members of KMP were employed through an arm's length process. They are paid in accordance with the award for the job they perform.

(c) Transactions with parties over which Council has significant control

In 2013 Enterprise Management Group, Hope Vale Foundation, Gungahde Community Aboriginal Corporation and Wujal Wujal Aboriginal Shire Council entered into a Joint Venture Agreement to work together to deliver services under the Federal Government's Remote Jobs and Communities Program (RJCP). Hope Vale Aboriginal Shire Council and Ang Ngarra Aboriginal Corporation are Associate Members of the Joint Venture. The Joint Venture is structured as an unincorporated collaborative venture for the purpose of providing the RJCP services. All venture participants have an equal interest in the Joint Venture. Wujal Wujal Aboriginal Shire Council is entitled to 25% of net profit from the operation of the Joint Venture. It is also liable for 25% of any losses throughout the Joint Venture. Council is entitled to two members on the Board out of eight.

Details of transactions	2023	2022
	\$	\$
My Pathway (v/a Enterprise Management Group)		
- Share of profit	726,309	881,794
- Distributions received (relating to current year share of profit)	400,000	881,794
- Distributions received (relating to previous years)	100,000	685,389
- Sales (at arms-length)	62,500	5,000

Further information about the Joint Venture can be found in Note 23 to the Financial Statements.

(d) Outstanding balances with related parties

The following balances are outstanding at the end of the reporting period in relation to transactions with related parties:

Amounts owed by KMP and other related parties as at balance date totalled \$1,195.82 (2022 \$60). There were no amounts owing to KMP and other related parties at balance date.

(e) Transactions with related parties that have not been disclosed

The majority of people who are related parties of Council live within the Wujal Wujal Aboriginal Shire Community. Therefore on a regular basis ordinary citizen transactions occur between Council and its related parties. The payment by community residents of utility charges and for sales of goods of goods and services are considered to be an ordinary citizen transaction.

Council has not included these types of transactions in its disclosure as they are made on the same terms and conditions available to the general public.

(f) Loans, guarantees and commitments to/from related parties

Council does not make loans to or receive loans from related parties. No guarantees have been provided. Council does not have any contractual commitments with related parties.

21 Contingent liabilities

Details and estimates of maximum amounts of contingent liabilities are as follows:

Local Government Mutual

The Council is a member of the local government mutual liability self-insurance pool, LGM Queensland. In the event of the pool being wound up or it is unable to meet its debts as they fall due, the trust deed and rules provide that any accumulated deficit will be met by the individual pool members in the same proportion as their contribution is to the total pool contributions in respect to any year that a deficit arises.

As at 30 June 2022 the financial statements reported an accumulated surplus and it is not anticipated any liability will arise.

Local Government Workcare

The Council is a member of the Queensland local government worker's compensation self-insurance scheme, Local Government Workcare. Under this scheme the Council has provided an indemnity towards a bank guarantee to cover bad debts which may remain should the self insurance licence be cancelled and there are insufficient funds available to cover outstanding liabilities. Only the Queensland Government's workers compensation authority may call on any part of the guarantee should the above circumstances arise. The indemnity amount provided by Wujal Wujal Aboriginal Shire Council as at 30 June 2023 in relation to the Local Government Workcare Bank Guarantee is \$70,837.07.

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

22 Superannuation

Council contributes to LGIASuper (the Scheme) at the rate of 12% for each permanent employee. LGIASuper is a multi-employer plan as defined in Australian Accounting Standard AASB119 Employee Benefits. The Scheme has a number of elements including a defined benefits fund and an accumulation benefits fund. Council does not have any employees who are members of the defined benefits fund and so is not exposed to the obligations, assets or costs associated with these funds. Council has employees who are members of the accumulation benefits fund. The Scheme is managed by LGIASuper Trustee as trustee for LGIASuper trading as BrighterSuper.

	Note	2023 \$	2022 \$
The amount of superannuation contributions paid by Wujal Wujal Aboriginal Shire Council to the superannuation scheme in this period for the benefit of employees was:	6	341,535	341,315

23 Joint venture

The Council has a 25% (2022 - 25%) joint venture interest in Cook RJCP Joint Venture, the principal activity of which is to provide delivery of services under the Remote Jobs and Communities Program in the Cooktown region. Cook RJCP Joint Venture's principal place of business is C/- My Pathways, 84-88 Cook St, Cairns, Queensland. In accordance with ownership interests Council holds 25% voting rights in the joint venture.

Council has determined that this joint arrangement is a joint venture under AASB 11 *Joint Arrangements* and accounts for this investment using the equity method. Under the equity method the investment is initially recognised at cost and is adjusted each year to recognise Council's share of the accumulated working capital reserve. Council's share of movements in other comprehensive income of the venture are recognised in other comprehensive income. Distributions received are recognised in the period to which they relate, and an adjustment made to dividends receivable at the end of the period.

Cook RJCP Joint Venture is a consortium of 4 organisations whose aim is to provide employment opportunities for indigenous people. There is no contractual or other arrangement, or circumstances which indicate that council, or any of the joint venturers, have rights to the assets or obligations for the liabilities of the joint venture.

The following information has been extracted from Cook RJCP Joint Venture draft financial statements.

	2023 \$	2022 \$
Revenue	8,203,656	6,956,760
Expenses	(5,298,419)	(3,429,583)
Profit or loss from continuing operations	2,905,237	3,527,177
Post-tax profit or loss from discontinued operations	-	-
Profit (loss) for the year	2,905,237	3,527,177
Other comprehensive income for the year	-	-
Total comprehensive income for the year	2,905,237	3,527,177

The movement in the carrying amount of the Council's investment in the joint venture is as follows:

Carrying amount at the beginning of the financial year	412,957	403,783
Funds contributed	-	-
Share of profit (loss)	726,309	881,794
Adjustment to carrying amount of joint venture	-	9,174
Distributions receivable	(326,309)	-
Distributions received	(400,000)	(881,794)
Carrying amount at the end of financial year	412,957	412,957

Wujal Wujal Aboriginal Shire Council
Notes to the Financial Statements
For the year ended 30 June 2023

25 Events after the reporting period

There were no material adjusting events after balance date.

26 Financial instruments and financial risk management

(a) Financial assets and financial liabilities

Council's activities expose it to a variety of financial risks including credit risk, liquidity risk and market risk.

Risk management framework

Council is responsible for the establishment and oversight of the risk management framework, together with developing and monitoring risk management policies.

Council approves policies for overall risk management, as well as specifically for managing credit, liquidity and market risk. The council's risk management policies are established to identify and analyse the risks faced, to set appropriate limits and controls and to monitor these risks and adherence against these limits. Council aims to manage volatility to minimise potential adverse effects on the financial performance of the Council.

Council does not enter into derivatives.

(b) Credit risk

Credit risk is the risk of financial loss if a counterparty to a financial instrument fails to meet its contractual obligations. These obligations arise principally from the Council's receivables from customers.

Exposures to credit risk is managed through regular analysis of credit counterparty ability to meet payment obligations.

No collateral is held as security relating to the financial assets held by Council.

The carrying amounts of financial assets at the end of the reporting period represent the maximum exposure to credit risk for Council.

(c) Liquidity risk

Liquidity risk is the risk that Council will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset.

Council's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without unacceptable losses or risking damage to Council's reputation.

Council is exposed to liquidity risk through its normal course of business and through its borrowings with QTC.

Council manages its exposure to liquidity risk by maintaining sufficient cash deposits, both short and long term, to cater for unexpected volatility in cash flows. These facilities are disclosed in Note 9.

The following table sets out the liquidity risk in relation to financial liabilities (excluding lease liabilities - refer note 14) held by Council. It represents the remaining contractual cashflows (principal and interest) of financial liabilities at the end of the reporting period, excluding the impact of netting agreements:

	0 to 1 year	1 to 5 years	Over 5 years	Total contractual cash flows	Carrying amount
	\$	\$	\$	\$	\$
2023					
Trade and other payables	618,046	34,307	-	652,353	652,353
Loans - QTC	422,484	1,689,938	1,549,109	3,661,531	3,266,218
	1,040,531	1,724,245	1,549,109	4,313,885	3,938,571
2022					
Trade and other payables	899,016	50,567	-	949,583	949,583
Loans - QTC	422,484	1,689,938	1,971,594	4,084,016	3,620,884
	1,321,500	1,740,505	1,971,594	5,033,599	4,570,467

The outflows in the table above are not expected to occur significantly earlier or for significantly different amounts than indicated in the table.

(d) Market risk

Market risk is the risk that changes in market indices, such as interest rates, will affect the Council's income or the value of its holding of financial instruments.

Interest rate risk

Council is exposed to interest rate risk through its investments and borrowing held with financial institutions and the Queensland Treasury Corporation (QTC).

Council has access to a mix of variable and fixed rate funding options through QTC so that interest rate risk exposure can be minimised.

Council does not undertake any hedging of interest rate risk.

Council does not account for any fixed-rate financial assets or financial liabilities at Fair Value through Profit or Loss, therefore a change in interest rates at the reporting date would not affect profit or loss.

Wujal Wujal Aboriginal Shire Council

Notes to the Financial Statements

For the year ended 30 June 2023

27 Going Concern

On 25 January 2021, Council received advice from the Acting Director-General of the Department of State Development, Infrastructure, Local Government and Planning that Council's financial situation of critically low cash reserves required the appointment of BDO Services Pty Ltd as the Financial Controller. This engagement commenced 29 January 2021 and concluded on 30 June 2022.

FY2023 is the first full financial year where financial management responsibilities were returned to Council.

At 30 June 2023, council has a net current asset position of \$3,284,544, an improvement from 2022 which was a net liability position of \$134,232. Council's operating result also significantly improved from an operating loss of \$1,996,202 in the 2022 financial year to an operating surplus of \$1,767,155 for the year ended 30 June 2023.

It is noted that the upfront receipt of the FY2024 Financial Assistance Grant in June 2023 has significantly improved Council's result for the year. \$2.5m of funding was received in advance which has increased cash and cash equivalents at year end. To support ongoing financial sustainability, Council remains focussed on generating own source revenue and exercising stricter control over procurement, with the focus being on value for money, the reduction of discretionary spending and tighter management of recurring operational expenses. Such measures include:

- Council's primary sources of income, being grant funding, and construction and recoverable works, are expected to continue into the future
- System and project monitoring practices were implemented by the Financial Controller. Council's goal is to continue to monitor systems and processes to ensure better practice compliance.
- Council is actively managing its debtors to reduce the risk of credit losses. The majority of Council's debtors at year end were less than 60 days outstanding.
- Council continues to review its fees and charges and the margins on BAS works to be in line with other indigenous councils. Council is also actively working to tender for neighbouring council's work to make use of the equipment and skills that we have available in a profitable manner.
- The finance team have re-established relationship with funding bodies and government departments and now focus on progressively invoicing funding bodies as work is performed on projects.
- Council has exercised stricter control over procurement, with the focus being on value for money, the reduction of discretionary spending and tighter management of recurring operational expenses.

For the reasons outlined above, the Council have prepared these financial statements on a going concern basis.

Financial statements
For the year ended 30 June 2023

Management Certificate
For the year ended 30 June 2023

These general purpose financial statements have been prepared pursuant to sections 176 and 177 of the *Local Government Regulation 2012* (the Regulation) and other prescribed requirements.

In accordance with section 212(5) of the Regulation we certify that:

- (i) the prescribed requirements of the *Local Government Act 2009* and *Local Government Regulation 2012* for the establishment and keeping of accounts have been complied with in all material respects; and
- (ii) the general purpose financial statements, as set out on pages 1 to 28, present a true and fair view, in accordance with Australian Accounting Standards, of the Council's transactions for the financial year and financial position at the end of the year.

Audit report

INDEPENDENT AUDITOR'S REPORT

To Councillors of Wujal Wujal Aboriginal Shire Council

Report on the audit of the financial report

Opinion

I have audited the financial report of Wujal Wujal Aboriginal Shire Council.

In my opinion, the financial report:

- a) gives a true and fair view of the council's financial position as at 30 June 2023, and of its financial performance and cash flows for the year then ended
- b) complies with the *Local Government Act 2009*, the *Local Government Regulation 2012* and Australian Accounting Standards.

The financial report comprises the statement of financial position as at 30 June 2023, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes to the financial statements including material accounting policy information, and the certificate given by the Mayor and Chief Executive Officer.

Basis for opinion

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial report section of my report.

I am independent of the council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the *Auditor-General Auditing Standards*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Other information

Other information comprises financial and non-financial information (other than the audited financial report) in an entity's annual report.

At the date of this auditor's report, the available other information in Wujal Wujal Aboriginal Shire Council's annual report for the year ended 30 June 2023 was the current year financial sustainability statement and long-term financial sustainability statement.

The councillors are responsible for the other information.

My opinion on the financial report does not cover the other information and accordingly I do not express any form of assurance conclusion thereon. However, as required by the Local Government Regulation 2012, I have formed a separate opinion on the current year financial sustainability statement.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report and my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of the councillors for the financial report

The councillors are responsible for the preparation of the financial report that gives a true and fair view in accordance with the *Local Government Act 2009*, the Local Government Regulation 2012 and Australian Accounting Standards, and for such internal control as the councillors determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

The councillors are also responsible for assessing the council's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless it is intended to abolish the council or to otherwise cease operations of the council.

Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for forming an opinion on the effectiveness of the council's internal control.
- Evaluate the appropriateness of material accounting policy information used and the reasonableness of accounting estimates and related disclosures made by the council.

- Conclude on the appropriateness of the council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the council's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. I base my conclusions on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Report on other legal and regulatory requirements

In accordance with s. 40 of the *Auditor-General Act 2009*, for the year ended 30 June 2023:

- a) I received all the information and explanations I required
- b) I consider that, the prescribed requirements in relation to the establishment and keeping of accounts were complied with in all material respects.

Prescribed requirements scope

The prescribed requirements for the establishment and keeping of accounts are contained in the *Local Government Act 2009*, and the Local Government Regulation 2012. The applicable requirements include those for keeping financial records that correctly record and explain the council's transactions and account balances to enable the preparation of a true and fair financial report.

Queensland Audit Office
Brisbane

Wujal Wujal Aboriginal Shire Council
Current-year Financial Sustainability Statement
For the year ended 30 June 2023

Measures of Financial Sustainability

Council's performance at 30 June 2023 against key financial ratios and targets:

	How the measure is calculated	Actual	Target
Operating surplus ratio	Net result (excluding capital items) divided by total operating revenue (excluding capital items)	10%	Between 9% and 10%
Asset sustainability ratio	Capital expenditure on the replacement of assets (renewals) divided by depreciation expense.	1%	greater than 90%
Net financial liabilities ratio	Total liabilities less current assets divided by total operating revenue (excluding capital items)	-2%	not greater than 60%

Note 1 - Basis of Preparation

The current year financial sustainability statement is a special purpose statement prepared in accordance with the requirements of the *Local Government Regulation 2012* and the *Financial Management (Sustainability) Guideline 2013*. The amounts used to calculate the three reported measures are prepared on an accrual basis and are drawn from the Council's audited general purpose financial statements for the year ended 30 June 2023.

Certificate of Accuracy
For the year ended 30 June 2023

This current-year financial sustainability statement has been prepared pursuant to Section 176 of the *Local Government Regulation 2012* (the regulation).

In accordance with Section 212(5) of the Regulation we certify that this current-year financial sustainability statement has been accurately calculated.

Mayor

Kiley Ranslow

Date: 08 / 12 / 2023

INDEPENDENT AUDITOR'S REPORT

To the Councillors of Wujal Wujal Aboriginal Shire Council

Report on the Current-Year Financial Sustainability Statement

Opinion

I have audited the accompanying current year financial sustainability statement of Wujal Wujal Aboriginal Shire Council for the year ended 30 June 2023, comprising the statement, explanatory notes, and the certificate of accuracy given by the Mayor and the Chief Executive Officer.

In accordance with s. 212 of the Local Government Regulation 2012, in my opinion, in all material respects, the current year financial sustainability statement of Wujal Wujal Aboriginal Shire Council for the year ended 30 June 2023 has been accurately calculated.

Basis of opinion

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the current year financial sustainability statement* section of my report.

I am independent of the council in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to my audit of the statement in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the *Auditor-General Auditing Standards*.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Emphasis of matter – basis of accounting

I draw attention to Note 1 which describes the basis of accounting. The current year financial sustainability statement has been prepared in accordance with the Financial Management (Sustainability) Guideline 2013 for the purpose of fulfilling the council's reporting responsibilities under the Local Government Regulation 2012. As a result, the statement may not be suitable for another purpose. My opinion is not modified in respect of this matter.

Other Information

Other information comprises financial and non-financial information (other than the audited financial report) in an entity's annual report.

At the date of this auditor's report, the available other information in Wujal Wujal Aboriginal Shire Council's annual report for the year ended 30 June 2023 was the general purpose financial statements and long-term financial sustainability statement.

The councillors are responsible for the other information.

My opinion on the current year financial sustainability statement does not cover the other information and accordingly I do not express any form of assurance conclusion thereon.

However, as required by the Local Government Regulation 2012, I have formed a separate opinion on the general purpose financial report.

In connection with my audit of the financial report, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report and my knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work I have performed, I conclude that there is a material misstatement of this information, I am required to report that fact. I have nothing to report in this regard.

Responsibilities of the councillors for the current year financial sustainability statement

The councillors are responsible for the preparation and fair presentation of the current year financial sustainability statement in accordance with the Local Government Regulation 2012. The councillors responsibility also includes such internal control as the councillors determine is necessary to enable the preparation and fair presentation of the statement that is accurately calculated and is free from material misstatement, whether due to fraud or error.

Auditor's responsibilities for the audit of the current year financial sustainability statement

My objectives are to obtain reasonable assurance about whether the current year financial sustainability statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this statement.

My responsibility does not extend to forming an opinion on the appropriateness or relevance of the reported ratios, nor on the council's future sustainability.

As part of an audit in accordance with the Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the council's internal control.
- Evaluate the appropriateness of material accounting policy information used and the reasonableness of accounting estimates and related disclosures made by the council.

- Evaluate the overall presentation, structure and content of the statement, including the disclosures, and whether the statement represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the council regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

Internal Audit | LGR s190 (s) (h)

The Council aims to establish and maintain a system of independent objective appraisal to examine and evaluate Council's internal control environment. Council has a system of internal controls that aim to minimise risk and protect Council's assets.

The internal audit function provides Council an independent review of the sufficiency and dependability of established internal controls that aim to safeguard Council's assets from loss, waste and fraud and that Council's activities are governed by the highest operational standards and ethics.

The purpose of the Council's internal audit function is to provide an unbiased evaluation of the systems and processes that underpin Council's internal controls by verifying the effectiveness of Council's risk management, efficiency, control, and governance processes.

Council has undertaken work in the internal audit space in the 2022/23 financial year to review accounts payable and payroll operations, which has further strengthened Council's internal controls.

This Bulbuji print represents the dragonflies which are sacred. Bulbuji start flying around once the rains come, they are also maja (boss) for bana (water) and the walkarr (water goanna). **Bana Yiriji Artist Junibel Doughboy.**

Mayor Bradley Creek
Local Disaster Management Group Chair
Wujal Wujal Aboriginal Shire Council

Via email: mayor@wujal.qld.gov.au

Dear Mayor Creek,

I refer to correspondence dated 11 October 2023 in relation to ongoing disaster and emergency management reforms being undertaken by the Reform Implementation Taskforce, under the Police and Emergency Services Reform Program.

Since our last update significant progress has been made towards establishing the State Emergency Services (SES) and new Marine Rescue Queensland (MRQ) entities under the Queensland Police Service (QPS) as part of the major reforms to enhance Queensland's disaster and emergency services.

An exciting milestone in the Government's commitment to these important changes is the recent appointment of the first-ever, dedicated Chief Officers for SES and MRQ.

Mr Mark Armstrong has been appointed as the new SES Chief Officer. In his role, Mr Armstrong will work closely with our local disaster and emergency service partners and volunteers through the next phase of the reform and lead SES into the future. Mr Armstrong brings more than 25 years' experience across the Australian Defence Force (ADF) and major multi-national corporations, and commanded the ADF response to the South-East Queensland floods in 2022.

Mr Tony Wulff has been appointed as the inaugural Chief Officer of MRQ and will play an instrumental role, working with our volunteer and marine partners in establishing the new marine rescue entity. Mr Wulff has over two decades' experience in transformational leadership across the public sector and marine industry.

Both Chief Officers bring a wealth of experience and leadership capability which will help build on the important services that the SES and marine rescue volunteers provide across Queensland.

Mr Armstrong and Mr Wulff will commence in their roles in the coming weeks and report directly to the State Disaster Coordinator, Deputy Commissioner Shane Chelepy of the Disaster and Emergency Management portfolio within the QPS.

To find out more about the Disaster and Emergency Services Reforms please visit the website.

If you have any questions, please do not hesitate to contact the Deputy Commissioner, Disaster and Emergency Management via the below email deputycommissioner.disasterandemergencymanagement@police.qld.gov.au.

Yours sincerely

Trevor Rohdmann
Manager Operations Southern Region
PO Box 328
Ipswich QLD 4305
Trevor.Rohdmann@seqwater.com.au

Dear Trevor and SEQ Water Team,

On behalf of the Wujal Wujal Aboriginal Shire Council and community, I would like to express our deepest gratitude for your SEQ Water support in the aftermath of the TC Jasper disaster event.

The restoration of critical infrastructure and services, particularly the water treatment plant and wastewater treatment plant, are of utmost importance to our community's recovery. Your generous provision of your skilled water operators provides a vital role in ensuring the successful restoration of our essential facilities. Your team's expertise and dedication are commendable, and we are incredibly grateful for their assistance during this challenging time.

Your support to return our water and wastewater treatment plant operations is a critical step to restore a sense of normalcy and security to our community. Access to clean and reliable water and proper wastewater management is crucial for the well-being and livelihoods of our residents, and the ecological balance of our region. SEQ's assistance has made a significant difference in ensuring that these needs are met.

I would also like to acknowledge the professionalism and kindness demonstrated by your water operators throughout their time here in Wujal Wujal. They have carried out their duties with utmost efficiency and their presence and support are greatly appreciated.

Once again, we extend our heartfelt thanks to SEQ Water for your unwavering support and assistance and look forward to continuing working together to ensure the well-being and resilience of our community.

With sincere appreciation,

Kiley Hanslow

Chief Executive Officer

Wujal Wujal Aboriginal Shire Council
