6.2.1 Future Aged Care and Residential Developments Native Title

Council has a number of future projects that require Native Title to be dealt with before they can proceed. These include residential developments and a future Aged Care facility.

The residential development is to be carried out in two locations, Lot 2 on SP301682 (The old Sports Ground) and Lot 43 on SP279562 (land adjacent to the Men's Shed)

The Aged Care facility is planned for Lot 134 on SP263792. This lot is currently part of the Police lease and it has been agreed to cancel this lease and issue a new lease in favour of Council for the future development.

As each of the Lots is within the Deed of Grant in Trust (DOGIT) it is necessary to clear Native Title. This is usually achieved by negotiating an Indigenous Land Use Agreement (ILUA) with the Native Title holder Registered Body Corporate, Jabalbina.

An ILUA negotiation usually takes a couple of years to negotiate and have registered with the Native Title Tribunal. This timeframe creates an issue for Council as the new housing on Lot 2 is due to commence shortly when the Commonwealth housing allocation of \$2,352,941 is released. The new lease of Lot 134 cannot be issued until Native Title is obtained.

The Native Title Act 1993 Section 24JAA gives provisions for specific future acts such as public housing or health facilities to occur without an ILUA being in place. The State gives the Native Title holder a notice and the two parties negotiate and compensation for the Native Title is paid by the State to the Native Title holder.

The Department of Seniors, Disability Services and Aboriginal and Torres Strait Islander Partnerships (formerly DATSIP) have indicated they will act on Council's behalf to progress the S24JAA notices. However, they require a resolution from Council to proceed.

RECOMMENDATION:

Wujal Wujal Aboriginal Shire Council as Trustee of the Wujal Wujal Deed of Grant in Trust hereby engages the Program Office within the DSDATSIP to progress the relevant 24JAA notices, all administrative matter associated with the notice:

- Social Housing subdivisional development, construction of houses, road openings and leases near the men's shed within lot 43 on SP279562; And
- Social Housing subdivisional development, construction of houses, road openings and leases within lot 2 on SP301682; and
- Construction of an aged care facility, associated infrastructure, and any required future lease within lot 134 SP263792

6.2.2 Community Safety Plan – Adoption

Councillors may be aware that the Alcohol Management Plans for indigenous communities underwent a lengthy review by the State Government. As a result of that review the Government implemented a new strategy called a Renewed Approach to Alcohol Management. This strategy enables Councils to determine minor changes in the AMP in place for their community.

The strategy requires communities to have a Community Safety Plan (CSP) that deals with any proposed change to the AMP as well as the other issues around community safety such as family and domestic violence, school attendance, child safety, problem gambling etc. This was timely as the Wujal Wujal Community Safety Plan was adopted in 2012 and was well overdue for a review.

The Community Safety Committee was reconvened and commenced a review of the CSP together with a comprehensive survey of the community on their views around alcohol. The members of the Community Safety Committee are the leading services contributing to the health, safety and wellbeing of the Community, comprising of, Wujal Wujal Aboriginal Shire Council, Wujal Wujal Justice Group, Wujal Wujal Clinic (Qld Health Primary Health Care Centre), Queensland Police Service, DATSIP and Bloomfield Primary school. Council's representatives are the Mayor, Deputy Mayor, Cr Vanessa Tayley and the CEO

This report presents the Draft Community Safety Plan **2020-2025** for adoption and is accompanied by a report from the Community Safety Committee on the preparation of the CSP and the results of the survey. Both documents have been circulated and are tabled at the meeting.

RECOMMENDATION:

That Council Adopt the Wujal Wujal Community Safety Plan 2020-2025.

6.2.3 Northern Australian ATSIM (Aboriginal Torres Strait Islander Ministries) Request to run program and use of facilities

Council has received a request from the Seventh Day Adventist Pastor from Weipa Mr Levi Mote on behalf of Northern Australian ATSIM (Aboriginal Torres Strait Islander Ministries) to run a community program in Wujal Wujal. An extract of the letter is included below.

The request is also for use of the Community Hall and permission to camp at the sports oval with use of shower and toilet facilities from 27 June 2021 to 3 July 2021

We are requesting your permission to provide a community program not only for our church members in Wujal Wujal but also to the wider community. Our program consists of two parts:

- 1. STORM Co (this is a program geared for kids in community games and activities.)*
- 2. Faith Presentations (this is a program specifically designed for people who would like to grow their spiritual faith.)*

Details: ORGANISATION: Northern Australian ATSIM (Aboriginal Torres Strait Islander Ministries). PROPOSED DATES: 27 June-03 July 2021 EQUIPMENT: We will provide all equipment needed for activities. VENUE: Request of PCYC Hall ACCOMMODATION: We will provide our own tents for accommodation but request the usage of the football field for our tents and the toilet and shower block.

I thank you in advance for considering our request and hope that this program may become a blessing for your community.

RECOMMENDATION:

That Council approve Northern Australian ATSIM (Aboriginal Torres Strait Islander Ministries) the use of the Community Hall in consultation with the Wujal Wujal Justice Group

Further that Northern Australian ATSIM (Aboriginal Torres Strait Islander Ministries) be advised that camping at the Sports Field and use of the facilities is available at a cost in accordance with Council's schedule of fees and charges.

6.4.7 Information Management Officer- Wendy Rowlands

Information Management

Continued and ongoing filing and document management in Magiq, our common drive "H", SharePoint, Outlook, Practical and all other Council data bases. The records danga developed a leaking roof in the recent heavy rains. This is impacting on records that we are required to keep permanently. They will have to be moved to another shelf which will require manpower, and this will leave the rear shelf empty which will severely impact on storage space for future archiving. See photos below.

IT Management

A significant event occurred in February one of the hard drives in our main office server has failed and requires immediate replacement. The Purchase Order to extend the warranty is with FC for approval. If the server fails, we have no on-site backup server.

A total of 85 tickets raised during the month- Fourier: 58, Telstra: 27

**RECOMMENDATION:**

That Council receives and adopts the DF&CS report for the month of February 2021

Wet weather affecting earth works

Wastewater Network Upgrade
Earth works completed
3 Kubota tanks installed
Irrigation field, pipe and sprinklers installed

6.5.5 Water and Sewer

Water Plant

The plant is operating well. With very few problems in February.

Water testing from Cairns Laboratory has returned a clear result both from Wujal and Ayton

Sewerage treatment plant

The plant is running well. The new Kubota tanks have been installed. Now waiting for them to be connected. The effluent results are little higher than normal due to the rcbs being disconnected this will return to normal or better once the Kubota tanks are connected.

The piping and spray irrigation on the effluent field have been laid now waiting for tanks and pumps to be installed.

We have had more pump blockages on the southside pits. The staff have had to clean out 2 pumps with baby wipes being the main problem.

Recycle centre

The turnover has increased this month with a daily turnover of 885 items an increase of 150 items per day. People are starting to use Wujal rather than Cooktown

6.5.6 Animal Management/Environmental Health

General animal management duties

A lot of new pups in Wujal, owners are reminded to register animals with Council and get treatments done.

Croc aware signs have been ordered to be in place at the river pump and at southside.

Assisting water/waste staff with failed pump station and water sampling.

6.5.7 Art Centre

Highlights

This month we have had better attendance with more artists coming in for My Pathway- work for the dole activities.

The artists have been very busy creating new artworks this month with over 30 new pieces made.

Bloomfield River State School came to visit the art centre this month. The kids interviewed the artists about their artworks and had a tour of the gallery.

The art centre staff worked with the IKC Manager to pick artworks suitable for the new language app that is being made through the library for the community.

Assistant art centre manager's training commenced this month through 'IACA Indigenous Arts worker Program' (IIAP) a yearlong Arts worker training pilot program. The training is delivered via Online zoom training every Wednesday. This month was - Artwork pricing and customer service.

Data

Sales report for the month of February 2021, attached.

Barriers & Issues

Organising workshops and art materials for professional development before June 2021. Due to COVID the Council had to rollover Arts Qld funding to 20-21 as we could not hold any workshops in 2020. Trying to find available consultants and dates is challenging as there is only a few months left after the wet season to achieve outcomes that follow the funding guidelines.

Funding/Agreements/Financials

Council are now under a Financial Controller until 30 June 2021 and the art centre will take direction from the Council finance team when needed.

6.5.9 Indigenous Knowledge Centre

Mum's and Bub's Group

Mum's and Bub's group attendance is increasing and adding new information and activities as we go. This month was about nutrition and early literacy with the inclusion of head's, shoulders, knees, and toes in Kuku Yalanji for parents to take home and sing to their children.

Lauren Erikson from State Libraries came for a week for their annual community visit and assisted with a stocktake and book exchange. During the visit the IKC rearranged the furniture layout to better accommodate programs that are being run.
