

OUTSTANDING

Victor Mills (Director Works & Building Services) and Geoffrey Rosendale (Works & Services Coordinator) receiving their National Emergency Medals for their commitment and outstanding service to Wujal Community during the 2019 floods.

The National Emergency Medal is an operational service medal which recognises significant or sustained service to others in a nationally significant emergency, for example, the bushfires in Victoria in 2009 and the floods and cyclone in Queensland in 2010 and 2011.

These medals are well deserved and hopefully make some acknowledgement of the commitment you both showed to the community during the flood. It was an honour to be present whilst you guys were presented with your awards.

VANDALISM

Hopefully everyone enjoyed their Easter Long Weekend break. The Council staff certainly did. However, coming back to work was upsetting on discovering several windows at the main office building had been broken.

VANDALISM IS NOT ACCEPTABLE

Parents please speak to your children and tell them this is wrong and encourage them to do the right thing by their community.

VANDALISM IS DISREPECTFUL TO THE COMMUNITY & THE PEOPLE

IF YOU SEE THIS HAPPENING SPEAK UP

KEEP WUJAL WUJAL A BEAUTIFUL PLACE TO LIVE

Covid 19

While we are a bit removed from the reality of life with Covid 19. We need to remember that we still need to follow directions from the Chief Health Officer. Currently the directions are if you cannot safely social distance inside or out then you must wear a mask. If you are travelling in a vehicle with people outside your family group, then you must wear a mask. Masks are required to be worn when entering shopping centres, clubs etc.

Masks are required as a condition of entry to most places.

NO MASK NO ENTRY – IF IN DOUBT WEAR A MASK
