WUJAL WUJAL WATER & WASTEWATER

The Wujal Wujal Water & Wastewater Team work hard to ensure the community has access to fresh drinking water and that the sewerage system is maintained to a high degree.

Unfortunately, they often encounter problems caused when people dispose of the wrong items into the toilet and sewer system. This cause breakdowns and costs Council in man hours as well as money that could be put to better use in the community.

SO PLEASE, PLEASE, REMEMBER THE 3 P'S
